Caldwell ' s affinity for adventure then led him to the vertigo-inducing and little understood world of big wall free climbing. But his evolution as a climber was not without challenges; in his early twenties, he was held hostage by militants in a harrowing

ordeal in the mountains of Kyrgyzstan. Soon after, he lost his left index finger in an accident. Later his wife, and main climbing partner, left him. Caldwell emerged from these hardships with a renewed sense of purpose and determination. He set his sights on free climbing El Capitan ' s biggest, steepest, blankest face—the Dawn Wall. This epic assault took more than seven years, during which time Caldwell redefined the sport, found love again, and became a father. *The Push* is an arresting story of focus, drive, motivation, endurance, and transformation, a book that will appeal to anyone seeking to overcome fear and doubt, cultivate perseverance, turn failure into growth, and find connection with family and with the natural world.
