Underestimated for too long as just a shrub for cottage gardens, the hydrangea is experiencing a renaissance in floral design. Lavish and luscious, the often-giant blooms are the epitome of chic. The next title in Pavilion 's series of beautiful floral gardening guides celebrates the ornamental charm and butterfly-like petals of the hydrangea. This title celebrates the history and main varieties of the hydrangea, from its origins in China, Japan and Korea, to how they have taken over most gardens in the world. To this day, pink hydrangeas are popular in Asia, as they are given as love tokens, and most recently, a hydrangea hybrid won Plant of the Year at the 2018 RHS Chelsea Flower Show. and self-improvement genres, from newspaper columns to design blogs. Drawing on the methodologies of cultural studies and feminist media studies, and built upon a series of case studies from newspapers, books, television programs, and blogs, it tracks the emergence of lifestyle 's discursive formation and shows its relevance in contemporary media culture. It is, in the broadest sense, about the role played by the explosion of lifestyle media texts in changing conceptualizations of selfhood and domestic life.
