It's an extraordinary tale of yeast-obsessed monks and teetotal prime ministers; of how pale ale fuelled an Empire and weak bitter won a world war; of exploding breweries, a bear in a yellow nylon jacket and a Canadian bloke who changed the drinking habits of a nation. It's also the story of the rise of the pub from humble origins through an epic, thousand-year struggle to survive misunderstanding, bad government and misguided commerce. The history of beer in Britain is a social history of the nation itself, full of catastrophe, heroism and an awful lot of hangovers. 'a pleasant antidote to more po-faced histories of beer' Guardian 'Like a good drinking companion, Brown tells a remarkable story: a stream of fascinating facts, etymologies and pub-related urban phenomena' TLS 'Packed with bar-room bet-winning facts and entertaining digressions, this is a book into which every pub-goer will want to dip.' A luminous and unforgettable first novel by an astonishing new voice in fiction, hailed by *Esquire* magazine as "one of America's best young writers." Samson Greene, a young and popular professor at Columbia, is found wandering in the Nevada desert. When his wife, Anna, comes to bring him home, she finds a man who remembers nothing, not even his own name. The removal of a small brain tumor saves his life, but his memories beyond the age of twelve are permanently lost. Here is the story of a keenly intelligent, sensitive man returned to a life in which everything is strange and new. An emigrant from his own life, set free from all that once defined him, Samson Greene believes he has nothing left to lose. So, when a charismatic scientist asks him to participate in a bold experiment, he agrees. Launched into a turbulent journey that takes him to the furthest extremes of solitude and intimacy, what he gains is nothing short of the revelation of what it means to be human.

Found wandering in the desert outside of Las Vegas, Samson Greene, a thirty-six-year-old Columbia University English professor, is discovered to have a brain tumor, but when surgery removes the tumor, leaving him with no recollection of his life after the age of twelve, he finds himself struggling to deal with a life, and a wife, he no longer recognizes. A first novel. Reprint. 12,500 first printing.

From elephants to mothers-in-law, priests to chickens, 'knock knock' to 'doctor, doctor' and much more besides, this joke book contains over 2,500 gags.

Man Walks Into A Bar 2 is the second volume of the hugely popular and hilariously funny joke book series. A one-stop shop for anyone who likes to hear and tell jokes. The jokes are ordered thematically - wives, husbands, doctors, lawyers, the French, the Germans, jokes about nuns, jokes about monkeys, the lot. There are also regular panels which group jokes by type too - Essex girls, changing a lightbulb etc. Our material will turn you into the toast of your local pub or make you loathed in your own home - remember, it is all in the telling. From the sublimely erudite to stuff Frank Carson would turn down, this book can service you with every joke you'll ever need. Including such gems as the following: Why have elephants got big ears? Because Noddy won't pay the ransom. A magic tractor is driving down a country road and turns into a field. An amnesiac walks into a bar. 'Do I come here often?' I went to a book shop and asked the saleswoman where the Self Help section was. She said if she told me it would defeat the purpose. How do you know when you're a pirate? You just arrrrrggghh.
