Agent Storm

The true story of a jihadi convert seeking redemption in "a rollicking read and a rare insider's account of Western spying in the age of al Qaeda" (The New York Times Book Review). Standing over six feet tall with flaming red hair, Morten Storm was an unlikely jihadi. But after a troubled youth in his native Denmark, Storm found peace and purpose in his conversion to Islam. His absolute devotion only grew after he attended a militant madrasa in Yemen, named his son Osama, and became close friends with American-born terrorist cleric Anwar al-Awlaki. Then, after a decade of jihadi life, he not only rejected extremism—he began a quest for atonement, becoming a double agent for the CIA as well as British and Danish intelligence agencies. Agent Storm takes readers inside the fanatical jihadist mindset and into the shadows of the world's most powerful spy agencies in an action-packed account that "reads like a screenplay for a James Bond movie written by Joel and Ethan Coen" (The Washington Post).

Agent Storm - My Life Inside al-Qaeda by Morten Storm Morten Storm was an unlikely Jihadist. A 6'1" red-haired Dane, Storm spent his teens with a biker gang or in jail. But after converting to Islam he embarked on a transformation that led from a militant madrasa in Yemen to a close friendship with Anwar al-Awlaki, the American-born cleric who would emerge as al-Qaeda's greatest threat to the West. Then Storm's story took another dramatic twist. He lost his faith and was recruited by the CIA, MI6 and MI5, becoming a double agent. His ultimate mission: to bring down his mentor al-Awlaki. This is the searing memoir of a man who sought purpose in a community of believers before rejecting their extremist ideology. In a quest for atonement he lived undercover for five years, travelling the world to complete high profile missions. As well as single-handedly thwarting multiple terrorist attacks, he led the intelligence services to some of al-Qaeda's most dangerous terrorists, all the while knowing his own life was expendable. Agent Storm takes readers inside the jihadist world like never before, showing the daily life of zealous men set on mass murder: from dodging drones with al-Qaeda leaders in the Arabian desert to jihadist gyms in Birmingham. It also gives a rare look inside the world's most powerful spy agencies, including their tradecraft, after-hours carousing - and their ruthless use of a beautiful blonde in a honey trap. Filled with hair-raising close calls, coded messages and chilling duplicity, Agent Storm is a captivating real-life thriller.

Agent Storm

As one of Al Qaeda's most respected scholars and bomb-makers, Aimen Dean rubbed shoulders with the mastermind of the 9/11 attacks and met Osama Bin Laden himself. His job was already one of the most dangerous in the world. But what the others didn't know was that he was working undercover for MI6.

As one of al-Qaeda's most respected bomb-makers, Aimen Dean rubbed shoulders with the mastermind of the 9/11 attacks and swore allegiance to Osama bin Laden. This is the story of how a young Muslim, determined to defend his faith, found himself fighting on the wrong side - and his fateful decision to work undercover for his sworn enemy. From the killing fields of Bosnia to the training camps of Afghanistan, from running money and equipment in Britain to dodging barrel bombs in Syria, we discover what life is like inside the global jihad, and what it will take to stop it once and for all.

"Ben Macintyre's rollicking, spellbinding Agent Zigzag blends the spy-versus-spy machinations of John le Carré with the high farce of Evelyn Waugh. "...[William Grimes, The New York Times (Editors' Choice)] "Wildly improbable but entirely true. . . . [a] compellingly cinematic spy thriller with verve."—Entertainment Weekly **NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY ENTERTAINMENT WEEKLY AND ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW AND THE WASHINGTON POST** Eddie Chapman was a charming criminal, a con man, and a philanthropist. He was also one of the most remarkable double agents Britain has ever produced. In 1941, after training as German spy in occupied France, Chapman was parachuted into Britain with a revolver, a wireless, and a cyanide pill, with orders from the Abwehr to blow up an airplane factory. Instead, he contacted MI5, the British Secret service, and for the next four years, Chapman worked as a double agent, a lone British spy at the heart of the German Secret Service. Inside the traitor was a man of loyalty; inside the villain was a hero. The problem for Chapman, his spymasters, and his lovers was to know where one persona ended and the other began. Based on recently declassified files, Agent Zigzag tells Chapman's full story for the first time. It's a gripping tale of loyalty, love, treachery, espionage, and the thin and shifting line between fidelity and betrayal.

Between 1994 and 2000, Omar Nasiri worked as a secret agent for Europe's top foreign intelligence services—including France's DGSE (Direction Générale de la Sécurité Extérieure), and Britain's MI5 and MI6. From the netherworld of Islamist cells in Belgium, to the training camps of Afghanistan, to the radical mosques of London, he risked his life to defeat the emerging global network that the West would come to know as Al Qaeda. Now, for the first time, Nasiri shares the story of his life—a life balanced precariously between the world of Islamic jihadists and the spies who pursue them. As an Arab and a Muslim, he was able to infiltrate the rigidly controlled Afghan training camps, where he encountered men who would later be known as the most-wanted terrorists on earth: Ibn al-Sheikh al-Libi, Abu Zubayda, and Abu Khabab al-Masri. Sent back to Europe with instructions to form a sleeper cell, Nasiri became a conduit for messages going back and forth between Al Qaeda's top recruiter in Pakistan and London's radical cleric Abu Qatada.

INSTANT NEW YORK TIMES BESTSELLER "Fast and thrilling. . . . Life Undercover reads as if a John le Carré character landed in Eat Pray Love." —The New York Times Amaryllis Fox's riveting memoir tells the story of her ten years in the most elite clandestine ops unit of the CIA, hunting the world's most dangerous terrorists in sixteen countries while marrying and giving birth to a daughter Amaryllis Fox was in her last year as an undergraduate at Oxford studying theology and international law when her writing mentor Daniel Pearl was captured and beheaded. Galvanized by this brutality, Fox applied to a master's program in conflict and terrorism at Georgetown's School of Foreign Service, where she created an algorithm that predicted, with uncanny certainty, the likelihood of a terrorist cell arising in any village around the world. At twenty-one, she was recruited by the CIA. Her first assignment was reading and analyzing hundreds of classified cables a day from foreign governments and synthesizing them into daily briefs for the president. Her next assignment was at the Iraq desk in the Counterterrorism center. At twenty-two, she was fast-tracked into advanced operations training, sent from Langley to "the Farm," where she lived for six months in a simulated world learning how to use a Glock, how to get out of flexicuffs while locked in the trunk of a car, how to withstand torture, and the best ways to commit suicide in case of captivity. At the end of this training she was deployed as a spy under non-official cover—the most difficult and coveted job in the field as an art dealer specializing in tribal and indigenous art and sent to infiltrate terrorist networks in remote areas of the Middle East and Asia. Life Undercover is exhilarating, intimate, fiercely intelligent—an impossible to put down record of an extraordinary life, and of Amaryllis Fox's astonishing courage and passion.

From Warsaw with Love is the epic story of how Polish intelligence officers forged an alliance with the CIA in the twilight of the Cold War, told by the award-winning author John Pomfret. Spanning decades and continents, from the battlefields of the Balkans to secret nuclear research labs in Iran and embassy grounds in North Korea, this saga begins in 1990. As the United States cobbles together a coalition to undo Saddam Hussein's invasion of Kuwait, six US officers are trapped in Iraq with intelligence that could ruin Operation Desert Storm if it is obtained by the brutal Iraqi dictator. Desperate, the CIA asks Poland, a longtime Cold War foe famed for its excellent spies, for help. Just months after the Polish people voted in their first democratic election since the 1930s, the young Solidarity government in Warsaw sends a veteran ex-Communist spy who'd battled the West for decades to rescue the six Americans. John Pomfret's gripping account of the 1990 cliffhanger in Iraq is just the beginning of the tale about intelligence cooperation between Poland and the United States, cooperation that one CIA director would later describe as "one of the two foremost intelligence relationships that the United States has ever had." Pomfret uncovers new details about the CIA's black site program that held suspected terrorists in Poland after 9/11 as well as the role of Polish spies in the hunt for Osama bin Laden. In the tradition of the most memorable works on espionage, Pomfret's book tells a distressing and disquieting tale of moral ambiguity in which right and wrong, black and white, are not conveniently distinguishable. As the United States teeters on the edge of a new cold war with Russia and China, Pomfret explores how these little-known events serve as a reminder of the importance of alliances in a dangerous world.
