This book is a concise, easy-to-use multi-choice question and answer resource in oculoplasty for ophthalmologists undertaking exams in this sub-specialty. Each chapter contains a short didactic summary of the topic followed by MCQs and answers. References to the full-text book Oculoplastic Surgery: A Practical Guide to Common Disorders are also included in the answer section of each chapter. This unique format allows readers to dip into MCQs to practice for exams while also providing clear references of where to find chapters from a larger

text. This book includes MCQs that examine the interaction between oculoplasty, ophthalmic sub-specialties (pediatrics, cataract, refractive, neuro, glaucoma) and other clinical areas including ENT, maxillofacial, dermatology, general plastic surgery and psychiatry. Consultants, surgeons and trainees from all ophthalmic specialties and sub-specialties will find this book to be an indispensable resource for exam revision in oculoplasty.

REA's Crash Course for the AP® Psychology Exam - Gets You a Higher Advanced Placement® Score in Less Time Revised for the 2015 Exam! Crash Course is perfect for the time-crunched student, the last-minute studier, or anyone who wants a refresher on the subject. Are you crunched for time? Have you started studying for your Advanced Placement® Psychology exam yet? How will you memorize everything you need to know before the test? Do you wish there was a fast and easy way to study for the exam AND boost your score? If this sounds like you, don't panic. REA's Crash Course for AP® Psychology is just what you need. Our Crash Course gives you: Targeted, Focused Review - Study Only What You Need to Know Revised for the 2015 AP® Psychology exam, this Crash Course is based on an in-depth analysis of the revised AP® Psychology course description outline and sample AP® test questions. It covers only the information tested on the new exam, so you can make the most of your valuable study time. Expert Test-taking Strategies Crash Course presents detailed, question-level strategies for answering both the multiple-choice and essay questions. By following this advice, you can boost your score in every section of the test. Take REA's Online Practice Exam After studying the material in the Crash Course, go to the online REA Study Center and test what you've learned. Our practice exam features timed testing, detailed explanations of answers, and automatic scoring analysis. The exam is balanced to include every topic and type of question found on the actual AP® exam, so you know you're studying the smart way. Whether you're cramming for the test at the last minute, looking for extra review, or want to study on your own in preparation for the exams - this is the study guide every AP® Psychology student must have. When it's crucial crunch time and your Advanced Placement® exam is just around the corner, you need REA's Crash Course for AP® Psychology! About the Author Larry Krieger earned a B.A. in Psychology from the University of North Carolina at Chapel Hill and an M.S. from Wake Forest University. In a career spanning more than 40 years, Mr. Krieger has taught a variety of AP® subjects. His popular courses were renowned for their energetic presentations, commitment to scholarship, and helping students achieve high AP® exam scores. All of Mr. Krieger's students scored above a 3 on their AP® exams, with most students scoring a 4 or a 5. In 2004 and 2005, the College Board® recognized Mr. Krieger as one of the nation's foremost AP® teachers. Mr. Krieger's success has extended far beyond the classroom. He has written several history textbooks and is a co-author of REA's Art History AP® test preparation guide. His latest venture, the AP® Crash Course® series, helps students strategically and effectively prepare for their AP® exams.

This book will provide readers with an overview of the core knowledge and issues in public mental health, and a guide for students and practitioners on the evidence and tools available to help them develop Public Mental Health programs that work in practice.

With over 1000 questions, MCQs and EMQs in Surgery is the ideal self-assessment companion guide to Bailey & Love's Short Practice in Surgery. The book assists readers in their preparation for examinations and to test their knowledge of the principles and practice of surgery as outlined within Bailey & Love. Sub-divided into 13 subject-s

Focusing on the topics commonly found on ABFM in-training, board certification, and recertification examinations, The Family Medicine Board Review Book helps you make the most of your study time and achieve exam success. It provides valuable background information on all three AFBM exams and their formats, presents more than 1,800 multiple choice questions for self-assessment, and helps you identify areas that may require further study. Ideal for residents, practicing physicians, and nurse practitioners, this new review tool is an excellent resource for testing your knowledge of the entire field of family medicine.

Medical Law and Ethics covers the core legal principles, key cases, and statutes that govern medical law alongside the key ethical debates and dilemmas that exist in the field. Carefully constructed features highlight these debates, drawing out the European angles, religious beliefs, and feminist perspectives which influence legal regulations. Other features such as 'a shock to the system', 'public opinion' and 'reality check' introduce further socio-legal discussion and contribute to the lively and engaging manner in which the subject is approached. Online resources This book is accompanied by the following online resources: - Complete bibliography and list of further reading - Links to the key cases mentioned in the book - A video from the author which introduces the book and sets the scene for your studies - Links to key sites with information on medical law and ethics - Answer guidance to one question per chapter

Need an insightful, real-world guide to mental health care concepts? The newly updated Psychiatric Nursing made Incredibly Easy, 3rd Edition addresses numerous mental health nursing issues, defining disorders and management strategies and offering down-to-earth guidance on a range of care issues — all in the enjoyable Made Incredibly Easy® style. With guidance that applies to any healthcare setting, this colorfully illustrated guide walks you through the vital skills needed for psychiatric mental health nursing care, offering solid support for being exam-ready and for handling a range of mental health and substance use concerns while on the job.
