The Art of Public Speaking, 10th Edition [2008 Paperback] ...

The art of public speaking is one that needs urgent stressing in these days. The great majority of schools and colleges are silent upon it, and the fact that it has little place in contemporary style of education is one of the signs of the times. It is in this light that Dale Carnegie stands out clearly as a man whose thoughts sheds bright ...

Editions of The Art of Public Speaking by Stephen E. Lucas

The Art of Public Speaking was a comprehensive textbook. Although less boring than other texts, the information contained was better suited to lectures than plain reading. It works as a good resource and reference, and the website was also helpful with the media it offered. As far as Public Speaking texts go, I would recommend this.
