Artemis - Wikipedia
Artemis, in Greek religion, the goddess of wild animals, the hunt, and vegetation and of chastity and childbirth; she was identified by the Romans with Diana. Artemis was the daughter of Zeus and Leto and the twin sister of Apollo. Among the rural populace, Artemis was the favourite goddess.

Artemis | Myths, Symbols, & Meaning | Britannica
With the Artemis program, NASA will land the first woman and next man on the Moon by 2024, using innovative technologies to explore more of the lunar surface than ever before. We will collaborate with our commercial and international partners and establish sustainable exploration by the end of the decade.

NASA Artemis
In Greek mythology, Artemis is the daughter of Zeus and Leto. Born either on Delos or Ortygia (near Ephesus in Western Turkey), she is the twin sister of the god Apollo. When she was three years old her father sat her on his lap and asked her what gifts she would like.

Artemis - Ancient History Encyclopedia
Artemis was the twin sister of Apollo and goddess of the Moon in Greek mythology. Now, she personifies our path to the Moon as the name of NASA's program to return astronauts to the lunar surface by 2024, including the first woman and the next man.

What is Artemis? | NASA
Artemis is the Olympian goddess of the hunt, the moon, and chastity; in time, she also became associated with childbirth and nature. No more than few days old, she helped her mother Leto give birth to her twin brother Apollo. Artemis was very protective of her and her priestesses’ innocence.

Artemis :: Greek Goddess of the Hunt and the Moon
Artemis is known as the goddess of the hunt and is one of the most respected of all the ancient Greek deities. It is thought that her name, and even the goddess herself, may even be pre-Greek. She was the daughter of Zeus, king of the gods, and the Titaness Leto and she has a twin brother, the god Apollo.

Artemis • Facts and Information on Greek Goddess Artemis
Artemis, Athenian red-figure bell krater C5th B.C., Museum of Fine Arts Boston
ARTEMIS was the Olympian goddess of hunting, the wilderness and wild animals. She was also a goddess of childbirth, and the protectress of the girl child up to the age of marriage--her twin brother Apollon was similarly the protector of the boy child.

Artemis is the Olympian Goddess of the hunt and the wilderness. She offers boons to Zagreus which give his abilities the chance to deal Critical damage. In addition, she also offers boons that improve Cast abilities.

The bestselling author of The Martian returns with an irresistible new near-future thriller—a heist story set on the moon. Jasmine Bashara never signed up to be a hero. She just wanted to get rich. Not crazy, eccentric-billionaire rich, like many of the visitors to her hometown of Artemis, humanity’s first and only lunar colony. Just rich enough to move out of her coffin-sized apartment and eat something better than flavored algae. Rich enough to pay off a debt she’s owed for a long time. So when a chance at a huge score finally comes her way, Jazz can’t say no. Sure, it requires her to graduate from small-time smuggler to full-on criminal mastermind. And it calls for a particular combination of cunning, technical skills, and large explosions—not to mention sheer brazen swagger. But Jazz has never run into a challenge her intellect can’t handle, and she figures she’s got the ‘swagger’ part down. The trouble is, engineering the perfect crime is just the start of Jazz’s problems. Because her little heist is about to land her in the middle of a conspiracy for control of Artemis itself. Trapped between competing forces, pursued by a killer and the law alike, even Jazz has to admit she’s in way over her head. She’ll have to hatch a truly spectacular scheme to have a chance at staying alive and saving her city. Jazz is no hero, but she is a very good criminal. That’ll have to do. Propelled by its heroine’s wisecracking voice, set in a city that’s at once stunningly imagined and intimately familiar, and brimming over with clever problem-solving and heist-y fun, Artemis is another irresistible brew of science, suspense, and humor from #1 bestselling author Andy Weir.

Augmenting her limited income by smuggling contraband to survive on the Moon's wealthy city of Artemis, Jazz agrees to commit what seems to be a perfect, lucrative crime, only to find herself embroiled in a conspiracy for control of the city.

In Jean Shinoda Bolen’s best-selling, game-changing Goddesses in Everywoman, myths came to life in a whole new way that resonated with our own lives. Even fictional character Bridget Jones was reading that book. Now comes Artemis: The Indomitable Spirit in Everywoman, a groundbreaking new book that explores the archetype of the activist. Indomitable means untamed, unsubdued. It is the one-in-herself quality in girls and women who will not be victims, no matter what. To bring the Artemis archetype to life, Dr. Bolen delves deeply into the myth of Atalanta, the famous hunter and runner in ancient Greek mythology, a mortal

woman who is identified with Artemis the Greek Goddess of the Hunt and Moon. Atalanta began life abandoned and left to die because she was born a girl. She faced the Calydon Boar and drew first blood; she was the runner who would demand to be beaten in a footrace by the man who could claim her as his bride. Atalanta exemplifies the indomitable spirit in competent, courageous girls and in the women they become. This is grit, the passion and persistence to go the distance, to survive, and to succeed. Dr. Bolen paints a vivid picture of Artemis women in current media, including Princess Merida from the animated film Brave and Katniss Everdeen from The Hunger Games. In all these examples and those of real-life women who grow into their Artemis spirit, she provides the means through which readers can navigate their own personal exploration to become their authentic selves. Bolen dedicates this book to women and girls who embody the archetype of Artemis, who discover her uncrushable spirit in themselves or others.

Athletic Artemis rails against the all-boys' Olympic Games at Mount Olympus Academy, which leaves her at odds with her twin brother, Apollo, while a mortal boy named Actaeon catches her eye.

The goddess Artemis is best known today as a goddess of the hunt and of the new moon, yet to those who worshipped at her ancient temples and sanctuaries she was far more than just that. To them she was a powerful and complex goddess whose influence spread far and wide throughout the ancient world. She was worshipped and celebrated as a goddess of childbirth, women, song, dance and of wild animals. As the daughter of the Titan goddess Leto by the Olympian Father god Zeus, Artemis would prove herself from the moment of her own birth, by assisting her mother with the birth of her own twin brother, Apollo. Zeus, who fathered children with many other goddesses and mortals, had a special affection for Artemis from the start and gave her all the gifts she asked for and more, making her one of the most powerful of the Olympian goddesses. Artemis, Virgin Goddess of the Sun & Moon by Sorita D'Este, explores the myths, powers and worship of this beautiful goddess. It is a thorough study with details of her temples and sanctuaries, the festivals which were held in honour of her, the roles she fulfilled in the myths, animals which were sacred to her, her relationship with her virgin attendants and other deities, as well as the many titles which were bestowed upon her. This groundbreaking book provides the most comprehensive study of this enduring goddess to date. ----- About the Author Sorita D'Este is a writer and researcher who lives and works in London, UK. She has a passion for the mysteries and gods of the western world and much of her work is focused on the spiritual and magical practices of ancient Greece, Rome and Britain. She is the co-author of The Guises of the Morrigan and Circle of Fire. Additionally she is a regular contributor to magazines, part works and journals, including DeAgostini's Enhancing your Mind Body & Spirit and Llewellyn's Annuals.

Twelve-year-old Artemis is a millionaire, a genius-and above all, a criminal mastermind. But Artemis doesn't know what he's taken on when he kidnaps a fairy, Captain Holly Short of the LEPrecon Unit. These aren't the fairies of the bedtime stories-they're dangerous!

Text in English & German. This book contains 19 articles dealing with various aspects of the Greek goddess Artemis and the Roman goddess Diana. The themes presented in the volume deal with the Near Eastern equivalents of Artemis, the Bronze Age Linear B testimonies, and Artemis in Homer and in the Greek tragedies. Sanctuaries and cult, and regional aspects are also dealt with -- encompassing Cyprus, the Black Sea region, Greece and Italy. Pedimental sculpture, mosaics and sculpture form the basis of investigations of the iconography of the Roman Diana; the role of the cult of Diana in a dynastic setting is also examined. A single section deals with the reception of the iconography of the Ephesian Artemis during the Renaissance and later periods.

Shunned even before she was born and destined to live a life of solitude, Artemis, Goddess of the Hunt, finds power through her skilled hunting ability and mighty bow. She slays those who wish to do harm to the innocent and takes care of the young and helpless. She protects women and young girls, helps in childbirth, soothes, and is unrivaled in her hunting abilities. In the latest volume of Olympians, New York Times-bestselling author George O'Connor continues to turn his extensive knowledge of the original Greek myths into rip-roaring graphic novel storytelling.
