Get in touch with the adult social services department of your local council and ask for a care assessment (also known as a needs assessment). Explain you need support managing everyday tasks like accessing your community.

The Care Needs Assessment Explained | Age UK

Care at home arranged by your local council isn't usually free. In order to arrange social care you need to first get a care needs assessment. After you've had the care needs assessment, and you've an agreed care and support plan, there will be a financial assessment, also known as a means test. This is where your local council will ask about your finances and income to work out how much you will contribute to your care.

Financial Assessment for Care Explained | Age UK

Assessment manual and guides My Aged Care Assessment Manual This manual is for Regional Assessment Services (RAS) and Aged Care Assessment Teams (ACAT). It guides assessors on using good practices in the assessment of older people's support needs and their eligibility for Australian Government-subsidised aged care services.
