An internationally recognized ESL teacher and TOEFL test-taking advisor presents detailed, step-by-step coaching designed to help students succeed on the Test of English as a Foreign Language. An opening Orientation chapter discusses the TOEFL's five test areas, explains how they are scored, and offers a general test preparation plan Subsequent chapters set forth detailed strategies and exercises for success in all five test sections of both the iBT and the PBT TOEFL: : Reading, Listening, Speaking, Structure, and Writing Accompanying audio CDs complement all of the book's test strategies All audio material contained on the compact discs is also presented in printed form in the book's Audioscripts section Answer Keys for all questions appear at the back of the book This book helps you prepare for the TOEFL before you take the test, and it helps you outsmart the TOEFL while you are actually taking the test. The book and audio CD program offer valuable TOEFL test preparation when used alone, and is even more effective when used with Barron's TOEFL iBT, Test of English as a Foreign Language with CD-ROM and Audio CDs, 13th Edition (978-0-7641-9698-0).

This test prep guide opens with a detailed introduction that provides an overview of this exam, information about calculator use and scoring, and strategies for maximizing your score, followed by a full-length diagnostic test with all answers explained to help students pinpoint their strengths and weaknesses. In the chapters that follow, detailed topic reviews cover several types of functions; transformations and symmetry; conic sections; polar coordinates; three-dimensional geometry; counting; complex numbers; matrices; sequences and series; vectors; statistics; probability; and much more. All chapters have been fully updated and include clear examples, explanations, and practice exercises. The chapters on rational functions and conic sections, in particular, have been heavily revised to explain these concepts in greater detail. This book concludes with six full-length model tests that have been updated with brand new questions and detailed answer explanations. Each test also contains a self-evaluation chart to help students identify chapters that need to be reviewed and rubrics for students to determine their raw and scaled scores. BONUS ONLINE PRACTICE TESTS: Students who purchase this book will also get FREE access to two additional full-length online SAT Math Level 2 subject tests with all questions answered and explained and automatic scoring.
