Precious Cummings is back but this time her own daughter is causing mayhem. Aaliyah Mills Carter was born into street royalty. Her mother, Precious, hustled her way from a project chick to a hood legend. Then she has two fathers, Xavier Mills, who is a rap superstar turned industry mogul and Nico Carter who heads up a lucrative drug empire with his partner Genesis. Finally, she has a grandfather Quentin, who spoils her the way he was never able to do for his daughter Precious. You would think being anointed the Princess would be enough for Aaliyah but it's not she wants more. Instead of simply relishing in the luxury she was born into, Aaliyah schemes and manipulates, determined to carve out her own lane. She brings her best friends Amir and Justina along for the ride. Does Aaliyah have the same street savvy as her mother to lead them to the top or will it end in disaster? There is only one Precious Cummings but has her daughter Aaliyah been groomed to take over the reign or will her mother have to step in and save her from herself? Find out in Bitch A New Beginning.

bastard of a groom. The most beautiful bitch of a bride. A panty-ripping office hook-up turned true love everlasting. Wedding bells can't chime soon enough for Chloe Mills and Bennett Ryan. Chloe, exasperated and stressed by all the last-minute to-dos, is on the verge of saying "I do" to eloping. For his part, Bennett's so worried about being distracted by Chloe's body that he makes a no-sex-until-the-wedding-night rule that only seems to be making things worse by continually backfiring on him. As their crazy families descend for the big day- only a few of them actually trying to be helpful- the fiery lovers are about to test whether the couple that argues together can keep it together long enough to exchange rings, and not just heated words.

I've been every "Bad Boy" and guy that you've ever dated. I'm a former dog, liar, cheater, asshole, user, manipulator and have slept with hundreds of women. And when it comes to the man in your life I'm here to tell you either he loves you or he's in love with you and when to walk away! These are the reasons why most women find themselves heartbroken, frustrated and losing sleep, they don't know the difference. I'll show you the difference between possessing a man's mind and his heart, if he's serious about you or if you're just something to do for right now. I'll also show you why men really cheat, why he's not rushing to marry you, can't commit and how you really have all the power in the relationship. I'll give you real, straight to the point talk and insight, save you from years of heartache and wasting your time with a man who isn't your real soul mate. Today is your awakening, your epiphany and new beginning. After reading this book you'll look at men differently and see the man in your life in an objective way and know how he really feels about you.

Finding happiness is the best revenge. From the outside, it seems thirty-six-year-old Tess Campbell has it all. A happy marriage, a successful career as a novelist, and an exciting cross-country move ahead. Tess has always played by the rules and it seems like life is good. When Tess discovers the truth about her marriage, she throws caution to the wind and dives into the life she's secretly always wanted to live - which means Tess isn't going to let anybody tell her what to do anymore. Even when others call her a bitch for doing so. Breaking free of expectations, Tess waves goodbye from the comfort of her first-class airplane seat. Her first stop? A scuba-diving trip to Mexico. The sharks she can handle, but the handsome Scottish diving instructor with the flirtatious smile and broad shoulders has Tess tied in knots. Is Tess willing to take a chance on love again? Inspired by the true story of New York Times and USA Today Bestselling author, Tricia O'Malley. From New York Times Bestseller, Vi Keeland, comes a sexy new standalone novel. The first time I met Chase Parker, I didn't exactly make a good impression. I was hiding in the bathroom hallway of a restaurant, leaving a message for my best friend to save me from my awful date. He overheard and told me I was a bitch, then proceeded to offer me some dating advice. So I told him to mind his own damn business—his own tall, gorgeous, full-of-himself damn business—and went back to my miserable date. When he walked by my table, he smirked, and I watched his arrogant, sexy ass walk back to his date. I couldn't help but sneak hidden glances at the condescending jerk on the other side of the room. Of course, he caught me on more than one occasion, and winked. When the gorgeous stranger and his equally hot date suddenly appeared at our table, I thought he was

going to rat me out. But instead, he pretended we knew each other and joined us—telling elaborate, embarrassing stories about our fake childhood. My date suddenly went from boring to bizarrely exciting. When it was over and we parted ways, I thought about him more than I would ever admit, even though I knew I'd never see him again. I mean, what were the chances I'd run into him again in a city with eight million people? Then again... What were the chances a month later he'd wind up being my new sexy boss?
