~~Blueprints For Building Better Girls~~

Blueprints for Building Better Girls is a cleverly interlocked collection of short stories that explores the various roles women play throughout their lives: as daughters, girlfriends, wives, and mothers, etc. Schappell's stories try to make the point that to be a woman is to constantly exist in duality: Girlfriends can be sluts, mothers can be resentful caretakers, wives can be the other women, and daughters can be ungrateful and undutiful.

Blueprints for Building Better Girls delves into the lives of an eclectic cast of archetypal female characters—from the high school slut to the good girl, the struggling artist to the college party girl, the wife who yearns for a child to the reluctant mother—mapping America's shifting cultural landscape from the late 1970s to the present day. Its interconnected stories explore the commonly shared but rarely spoken of experiences that build girls into women and women into wives and ...
