R 1250 GS + Adventure - Maintenance and repair manuals

Confident, reliable, powerful. Just like the ideal companion should be in known and unknown worlds. Thanks to the variable camshaft control system BMW ShiftCam, the boxer engine of the R 1250 GS Adventure turns long distances into pure pleasure.

R 1250 GS Adventure | BMW Motorrad
Main focus of the manual is the world's most popular travel enduro, the R1200GS, an example of which has been fully stripped down, photographed and rebuilt in the Haynes workshop. Other models in the range have been examined too, the GS Adventure, Luxury-tourer RT, R Roadster and RS Sport-tourer. In all over 1300 photographs have been taken.
