Property taxes fund less than a quarter of the cost of California's public schools. Less than a quarter of the funding for public schools in California comes from property taxes, which are also collected to support other local government functions. Most of the money for K-12 education does not come from property taxes. The big source of revenue for schools is state income taxes, especially taxes on the state's wealthiest earners.

California taxpayers owe consumer use tax on purchases of taxable goods or services for storage, use, or other consumption in California when the seller didn't collect sales tax at checkout. This most frequently occurs when the seller is based in another state and the purchase occurs online, by phone, or by mail. Use tax may also be owed on items purchased in other states or countries (e.g ...
