5.0 out of 5 stars Cancer Book. Still dying to know the truth. Reviewed in the United States on 8 June 2016. Verified Purchase. I was interested in alternative options for treating cancer besides the traditional Chemo/radiation methods. I have not finished reading this book but it is full of valuable information of natural ways to beat cancer.

Still ...~~

Even if the physical body is ready to shut down, some dying people might resist death. They might still have issues they want to resolve or relationships they want to put right. It is important to understand these things. Let your loved one know that you're there for them and will help them with any of these issues.
