Apr 29, 2013 - Whale Watching on Cape Cod! See more ideas about Whale watching, Whale, Cape cod.

"Within the pages of this book is a tour of select locations around the beautiful Cape Cod peninsula. Your author and guide is a 12th generation Cape Coder. Readers are taken from one end of Cape Cod to the other, following succinct, clear directions, and provided with engaging information about each site along the way. There are many well-known attractions listed here; there are also many lesser recognized spots that only "locals" would truly know and treasure. Popular beaches, historic homes, and lighthouses from Sandwich, around the Cape via Provincetown, Chatham, Falmouth, and back to Bourne are only part of what makes up Cape Cod, and this trip. This book goes deeper into the soul of Cape Cod. It will leave the reader and visitor feeling as if theyare one with the land much as the author does. With all of the locations listed in geographical order, it is possible to walk, bike, and drive the Cape, seeing everything conveniently and simply"--Page 4 of cover.

The region's first paddling guide explores the rivers, marshes, ponds and shoreline of Cape Cod. A paddling guide designed for canoeists and kayakers who want to explore the Cape's rivers, marshes, and shoreline and learn about the region's natural history. Paddling the Cape's waterways is the best way to see its wildlife and to understand the ever-changing forces of sand, tide, and wind that define this land-and it's a perfect way to escape the crowds. The authors are experienced paddlers who own a canoe and kayak touring business. Full of natural history, this guide also has practical details, like where and when to go; tides, currents, and safety considerations; and information about where boats can be rented. This guide is endorsed by Cape Cod Museum of Natural History. Black-and-white photographs throughout; 41 maps

From lobsters and lighthouses to cranberry bogs and whale watches, this delightful board book will please young and old salts alike. It's the very first title published in the Good Night Books series and is still one of the most requested. This story includes scenic landmarks and ocean wildlife such as the Cape Cod Canal and bridges, herring runs, fishermen and ferryboats, beaches, Barnstable County Fair, Cape Cod clam bakes, seals, kettle ponds, peeper frogs, and more.

Originally brought to America's shores by the Mayflower, two families unearth their family skeletons--which have lain buried in Cape history for more than 200 years.

A couple of ducks travel to Cape Cod and discover windmills and cranberries, Cape League baseball and build a sand castle at the beach.

Even before the Pilgrims landed in 1620, Cape Cod and its islands promised paradise to visitors, both native and European. In Paul Schneider's sure hands, the story of this waterland created by glaciers and refined by storms and tides -- and of its varied inhabitants -- becomes an irresistible biography of a place. Cape Cod's Great Beach, Martha's Vineyard, and Nantucket are romantic stops on Schneider's roughly chronological human and natural history. His book is a lucid and compelling collage of seaside ecology, Indians and colonists, religion and revolution, shipwrecks and hurricanes, whalers and vengeful sperm whales, glorious clipper ships and today's beautiful but threatened beaches. Schneider's superb eye for story and detail illuminates both history and landscape. A wonderful introduction, it will also appeal to the millions of people who already have warm associations with these magical places.

"In these compassionate, quietly evocative essays, Mr. Finch makes an eloquent case for dealing with nature not just as an extension of ourselves but as a world apart." -- New York Times Book Review When Common Ground was first published, Annie Dillard praised Robert Finch's essays for "their strength, subtlety, and above all their geniality." New readers will have a chance to discover that Finch's Cape Cod is indeed a wonderful place. The birds, fish, and animals that share the cape's fragile ecology on any given summer day with the human residents are described with the fresh eye of a first-rate nature writer.

A richly illustrated full-color guide to the unique plants, wildlife, and environments of Cape Cod and the other nearby "Outer Lands" that face the Atlantic Ocean This essential guidebook presents the most abundantly illustrated and fascinating account of the natural history of Cape Cod, its nearby islands, Block Island, the western coast of Rhode Island, and southeastern Long Island ever published. Exploring the ecology and most common plants and animals of the various regional environments--beaches, dunes, salt marshes, heathlands, and coastal forests--the book also encompasses marine mammals, sea turtles, and fish offshore. For nature-loving local residents and visitors alike, this essential book will be a treasured resource.

A complete guide for everything you need to experience a great Long Weekend out on Cape Cod, whether your trip takes you to Brewster, Hyannis, Falmouth, Sandwich, Chatham or P-town-or even out to Martha's Vineyard. "I know antiques are more expensive out on the Cape, but in this book I found a couple of little gems where I picked up some bargains." --Joan S., online review, Miami "Used the advice in this book to watch the sunset from the Red Inn in P-town and we had a great time." --Willie M., online review, Detroit "I had no idea how many bike paths there were until I read this guide." --Susan S, Phoenix You'll save a lot of time using this concise guide. --Lodgings (in several parts of the Cape) variously priced--Fine & budget restaurants, more than enough listings to give you a sense of the variety to be found. --Principal attractions -- don't waste your precious time on the lesser ones. We've done all the work for you. --A handful of interesting shopping ideas.

The Best Resource Available for Finding a Literary Agent! No matter what you're writing--fiction or nonfiction, books for kids or adults--you need a literary agent to secure a book deal. The 2013 Guide to Literary Agents is your essential resource for finding that literary agent--without fear of being scammed--and getting your book published. This new, updated edition of GLA includes: • Completely updated contact and submission information for more than 1,000 literary agents seeking new clients. • Craft and business advice from more than 35 literary agents--on topics such as query letters, children's books, synopses and proposals, memoir writing, first chapters, conferences, platform and more! • 12 "Breaking In" success stories from debut writers who explain how they got their books published. Includes "New Agent Spotlights"--profiles on literary reps actively building their client list right now. "The Guide to Literary Agents was an indispensable tool for me when I was querying agents. I highly recommend it for any aspiring author--in addition to a comprehensive listing of literary agents, it contains valuable information about the query and submission process." --Darien Gee, author of Friendship Bread: A Novel "I just signed with literary agent Chip MacGregor, and I came upon him through the Guide to Literary Agents. If not for GLA, I'd probably still be looking." --Les Edgerton, author of Hooked as well as several novels PLEASE NOTE: Free subscriptions are NOT included with the e-book edition of this title.
