This more portable team edition of the full 25th edition of the industry-leading baseball annual contains all of the important statistics, player projections and insider-level commentary that readers have come to expect, but focused on your favorite organization. It also features detailed reports on the top prospects, including fantasy values and commentary. Take it out to the ball game or wherever you follow your team!

A survey of life on the nation's campuses offers detailed profiles of the best colleges and rankings of colleges in 62 different categories.

The Dodgers have played more than 10,000 games as a franchise. Their 50 greatest games span two coasts and three centuries worth of baseball. They include:
• A doubleheader that lasted six and a half innings combined
• A single game that featured three teams on the field
• A game in which the Dodgers didn ' t record a hit — and won
• The games in which the single-season and career home run records were broken
• Three perfect games and two no-hitters
• The longest game in major league history
• The first major league game ever televised
• A game in which the Dodgers ' pitcher lost consciousness on the field
• An exhibition game that drew 93,103 spectators
• The first integrated game in major league history
The 50 Greatest Dodgers Games features all the best players to don the uniform: Sandy Koufax, Jackie Robinson, Kirk Gibson, Zack Wheat, Fernando Valenzuela, Orel Hershiser, Duke Snider, Roy Campanella, Clayton Kershaw, Steve Garvey, Don Drysdale, Pee Wee Reese and more. It also features some of the unsung heroes of baseball history, like Cookie Lavagetto, Vic Davallilo, Sandy Amoros, Al Gionfriddo and Joe McGinnity. For the first time, their performances are laid side-by-side in this account of the greatest Dodgers games ever played. Which game ranks number one?

Only one person believed Jane Parnell when she reported being raped at twenty-one: the mountain man who first led her up one peak after another in the Colorado Rockies and who then became her husband. Parnell took to mountaineering in the Rocky Mountains as a means to overcome her family ' s history of mental illness and the trauma of the rape. By age thirty she became the first woman to climb the 100 highest peaks of the state. But regaining her footing could not save her by-now-failing marriage. Unprepared emotionally and financially for singlehood, she kept climbing—the 200 highest peaks, then nearly all of the 300 highest. The mountains were the one anchor in her life that held. Finding few contemporary role models to validate her ambition, Parnell looked to the past for inspiration—to English travel writer Isabella Bird, who also sought refuge and transformation in the Colorado Rockies, notably by climbing Longs Peak in 1873 with the notorious mountain man Rocky Mountain Jim. Reading Bird ' s now-classic A Lady ' s Life in the Rocky Mountains emboldened Parnell to keep moving forward. She was not alone in her drive for independence. Parnell ' s memoir spans half a century. Her personal journey dramatizes evolving gender roles from the 1950s to the present. As a child, she witnessed the first ascent of the Diamond on Longs Peak, the " Holy Grail " of alpine climbing in the Rockies. In 2002, she saw firsthand the catastrophic Colorado wildfires of climate change, and five years later, she nearly lost her leg in a climbing accident. In the tradition of Cheryl Strayed ' s Wild and Tracy Ross ' s The Source of All Things, Parnell ' s mountaineering memoir shows us how, by pushing ourselves to the limits of our physical endurance and by confronting our deepest fears, we can become whole again.

Gold Panning Colorado is the premiere reference source for anyone who is interested in getting started or continuing their gold prospecting in Colorado. Containing accurate, up-to-date prospecting information for all known panning areas in Colorado. Features include: Full-color images GPS coordinates Geology basics Tools of the trade for every level of collector Rules and regulations Polishing, preserving, crafting, and displaying your treasures

This is Oh, the Places You'll Never Go--the ultimate hilarious, cynical, but absolutely realistic view of a college graduate's future. And what he or she can or can't do about it. "This commencement address will never be given, because graduation speakers are supposed to offer encouragement and inspiration. That's not what you need. You need a warning." So begins Carl Hiaasen's attempt to prepare young men and women for their future. And who better to warn them about their precarious paths forward than Carl Hiaasen? The answer, after reading Assume the Worst, is: Nobody. And who better to illustrate--and with those illustrations, expand upon and cement Hiaasen's cynical point of view--than Roz Chast, best-selling author/illustrator and National Book Award winner? The answer again is easy: Nobody. Following the format of Anna Quindlen's commencement address (Being Perfect) and George Saunders's commencement address (Congratulations, by the way), the collaboration of Hiaasen and Chast might look typical from the outside, but inside it is anything but. This book is bound to be a classic, sold year after year come graduation time. Although it's also a good gift for anyone starting a job, getting married, or recently released from prison. Because it is not just funny. It is, in its own Hiaasen way, extremely wise and even hopeful. Well, it might not be full of hope, but there are certainly enough slivers of the stuff in there to more than keep us all going.

Peter Sagan, at just 29 years of age, is already one of cycling ' s greatest riders of all time. With six Tour de France points jersey victories, three road race world championships, the 2018 Paris-Roubaix, and multiple spring classics among Sagan ' s palmares, the world of cycling agrees that this intense, yet fun-loving rider is among the most dominant and fun-to-watch riders of his generation. In My World, for the very first time, bike racing fans will have the opportunity to glimpse behind the scenes of Sagan ' s cycling life, revealing the full extent of his dedication to competition and determination to win. They will read about his relationship with fellow riders, his heroes, and how he copes with the expectation of success. He will share technical details about his preparation, dissect the art of the sprint, and analyze the tactics that play out during a fiercely competitive stage or race. Sagan also gets personal, inviting us into his entourage as he blasts through races—then blows off steam with a few well-played pranks on friends. He shares his love for stunts like popping uphill wheelies on his road bike or lip-synching to John Travolta—and explains why bets lost and promises to friends sometimes end with a chicken dance across the finish line. If the rainbow jersey comes with a curse, what happens when you win three? Meet the real Peter Sagan in My World and find out why cycling ' s most interesting personality never takes winning too seriously.

DK Eyewitness Travel Guide: Southwest USA & National Parks will lead you straight to the best attractions the region has to offer. Whether you're taking in the views at the Grand Canyon, gambling in Las Vegas, or enjoying the hot pools at Jemez Springs, this in-depth guidebook provides all the travel information you need.
