Let your soul be stirred by an extraordinary love. What would it be like to know without even a glimmer of doubt that you are loved-truly, passionately, deeply-just as you are? Can you imagine your heart being completely entwined with one whose every word to you reveals tender affection? There are times in life when we are caught utterly unprepared: a death in the family, the end of a relationship, a health crisis. These are the times when the solid ground we thought we stood on disappears beneath our feet, leaving us reeling and heartbroken, as we stumble back to our faith. The Days of Awe encompass the weeks preceding Rosh Hashanah up to Yom Kippur, a period in which Jews take part in a series of rituals and prayers that reenact the journey of the soul through the world from birth to death. This is a period of contemplation and repentance, comparable to Lent and Ramadan. Yet, for Rabbi Alan Lew, the real purpose of this annual passage is for us to experience brokenheartedness and open our heart to God. In This Is Real and You Are Completely Unprepared, Lew has marked out a journey of seven distinct stages, one that draws on these rituals to awaken our soul and wholly transform us. Weaving together Torah readings, Buddhist parables, Jewish fables and stories from his own life, Lew lays bare the meanings of this ancient Jewish passage. He reveals the path from terror to acceptance, confusion to clarity, doubt to belief, and from complacency to awe. In the tradition of When Bad Things Happen to Good People, This Is Real And You Are Completely Unprepared enables believers of all faiths to reconnect to their faith with a passion and intimacy that will resonate throughout the year.

The Unfinished Revolution is the definitive story of New Labour from its genesis to its election defeat 2010 - covering over 25 years and six general elections of strategy, rebuilding and reinvention. In this extraordinary book, Philip Gould, one of the world's leading political strategists and a key adviser to Tony Blair during the period, brilliantly describes how New Labour came to dominate, falter and fail, assessing how successful it was in government, and where it should go from here. Drawing on his years of experience at the heart of New Labour he gives us his unique perspective on how best to understand the electorate, how to communicate policy and how to adapt in a rapidly changing world.

Myth and the Church Augustus Caesar, Son of God, started the Christiancalendar. Moreover, he also contributed massively to thepersona of Christ, to Christianity and to the ChristianChurch. Indeed, Jesus, a Jewish prophet, was transformedin the process to become the God of Christian Europe. Augustus, the Godfather of Europe, spawned a religion alien to Rome and the world of Rome he had created. This was not the work of Augustus himself. However, Augustus was the luminary of the Roman state religion before he was transformed into the second person of the Trinity. The processes involved in these changes are followedthrough the first four centuries of the Christian era. A brieflook at developments since highlight the Christian church's continued influence on the western European knowledgebase. Here you can check out your own mindset, against factors that are still crazy influential. The cover illustration is of a restored cult figure of Augustus, one of thousands destroyed by Christian zealots let loose in 395. Most of the hood of the toga of Pontifex Maximus is missing. This example is at Thyatira, to where John sent a copy of his Revelations. All seven churches of the Apocalypse were in the Roman province of Asia. Just off the coast is the island of Samos, where Augustus lived when he was in the area. Patmos, where John wrote his Revelations during his exile there, is a bit further out in the Aegean Sea. The reverse of an Augustan aureus, on the spine, shows the winged victory standing on the globethat Augustus had installed as centerpiece of the Roman Curia. It was carried at his funeral to leadthe procession from the forum to his mausoleum. At the end of the fourth century it was removed from the Curia and reinstated three times. Finally Ambrosius, Bishop of Milan, insisted it be takenout and utterly destroyed. Rome and the world of Rome collapsed shortly afterwards. Augustus' last 100 days were extremely busy. He was supposedto have suffered from the weariness of old age before then. But after official functions in Rome he went to Capri for a few days, thenon to the Games in Naples, where heindulged in horse play with the athletes and on to Beneventum to review his armies, before they set off to war. His death at the old family home atNola is well documented, down totime and day. It's the year that's in dispute here. Christian histonans strove to proveJesus was the Messiah by his dateof birth. They also wanted to knowwhen the Second Coming of Christwould occur. In the process they hadto alter the date of Augustus death. Much was destroyed to cover their tracks. Fortunately enough remains the debris to reconstruct the real chronology of the period. Surprisingly much else remainedto be unearthed. Cicero, not Herod,ordered the massacre of the innocents. Wise men from the east visited Augustus. It's all there for the digging.

Discover the sheer joy of sharing God's love. Just as a woman in love delights in telling others about her beloved, a woman in love with Jesus finds indescribable joy in introducing others to Him. Yet the very idea of evangelism leaves many feeling inadequate or fearful. In this encouraging devotional, best-selling author Shannon Ethridge points to examples of New Testament believers to show how any woman can confidently share her faith. Through the stories of these early saints, you'll learn that drawing others to Christ doesn't have to involve specific steps or persuasive words. In fact, when God's love fills your heart, it overflows naturally into the lives of those around you and creates in them an irresistible yearning to experience it for themselves. This companion devotional to Completly His directs your gaze into the heart of God through the truths revealed in His love letter, the Bible. Each reading includes introspective questions to help you apply those truths in a personal way, propelling you into a more fulfilling life of passion, purpose, and genuine intimacy with Jesus.
