Morris: The Conflict of Laws, 9th Edition - Conflict of ...

Conflict of laws concerns the process for determining the applicable law to resolve disputes between individuals, corporations in multi-jurisdictional cases and transactions. Conflict of laws especially affects private international law, but may also affect cases where a contract makes incompatible reference to more than one legal framework. The term "conflict of laws" is primarily used in the United States and Canada, though it has also come into use in the United Kingdom. In most other countries
