Generally speaking, discus fish get along with many other fish just as long as they share the same required water temperature to thrive. Discus fishes are known to make great pets because they are interactive. Some owners even say they respond when they walk in the room or turn on the TV. Who knows, they may even have a favorite show!

specialist, and though the information is authoritative, the text is clear and straightforward, easy for every pet owner to understand.

Barron's Complete Pet Owner's Manuals for aquarium owners are profusely illustrated with full-color photos and instructive, high-quality line art. These books are written in clear, direct language that will appeal to amateur hobbyists, but they also contain information that even experienced breeders will find enlightening. Individual titles in this still-growing list focus on many different kinds of fish, as well as on aquarium plants and general aquarium maintenance.

Tropical fish are beautiful to look at, fascinating to collect,

Access Free Discus Fish Complete Pet Owners Manual

and totally relaxing to watch. And there are no simpler pets to own. For the hobbyist or novice pet owner, The Everything Tropical Fish book offers a complete resource for caring for freshwater and saltwater fish, whether you 're starting with your first goldfish bowl or assembling aquarium tanks full of different kinds of fish. Inside, you 'll learn how to find and purchase the fish you want, and how to keep your new finned friends happy. From setting up the aquarium with the proper filters to outfitting the tank with the proper balance of plants and chemicals, The Everything Tropical Fish Book answers all your fish-friendly questions! Learn how to: Buy the proper equipment to set up your own fresh or saltwater aquariums Collect tropical fish—which are the most popular and why Keep your pets healthy—with

proper food, water quality, and temperature Build beautiful outdoor ponds and water gardens for goldfish and koi And much, much more!

One of the most popular choices for home aquariums, CICHLIDS come in a variety of colors, shapes, and sizes. From the Fish Keeping Made Easy series, this book covers diet and nutrition, recognizing and treating illness, biology, breeding and more.

The seahorse is an amazing fish that is a wonderful aquarium inhabitant despite the fact that they are not as easy to care for as most fish. There are approximately 52 species to delight the aquarist and they can be kept on their

Access Free Discus Fish Complete Pet Owners Manual

own or with other fish and certain invertebrates. This book will introduce you to these fish by looking at the different species, discussing their appearance and biology, typical seahorse behaviour, their feeding requirements, one-of-a-kind reproductive cycle and other things that make these fish unique. It will also tell you what you need to know in order to decide whether or not this is the pet for you and, if it is, how to select your seahorse, what you need to buy before you bring it home, and how to take proper care of it and keep it happy and healthy. The serious hobbyist must know what these fish need with regards to their environment. All the necessary equipment and water and other parameters are examined as the quality of the water and the general environment has a crucial bearing on the

Access Free Discus Fish Complete Pet Owners Manual

health and happiness of seahorses. The seahorse is unfortunately susceptible to a number of different types of bacterial, parasitic and fungal infections and infestations. Anyone who is serious about having a marine tank generally and seahorses specifically needs to know what to look for and how to deal with common ailments. This book also contains helpful information on their reproductive behaviour, gestation, birth and on caring for the fry for those who are interested in breeding or find themselves the proud foster parent of babies that were not expected! Other areas of discussion are the fish and invertebrates that the seahorse gets on with and hints and tips to make your life easier as you select your seahorse and afterwards. Covered in this book: - Do's and Don't's - The basics - Choosing the
