5 Signs Your Dreams Are Coming True 1. People say things you want to hear. When good things are happening to you, the people you encounter often go out of their way to offer you help, advice, or put things in motion to help your dreams come true. You will feel like the people who you talk to must know your secret dream, the way they hint at it.

After seeing the cover of "Dreams Do Come True," I expected a western. But this book is more than that. It's a western mystery woven with faeries, werepanthers, witches, humans, and romance. I hadn't read the first book in this series, but will definitely purchase it and the third book. "Living the Dream," when it's released.
