Will Robie Series Reading Order by David Baldacci

I love the Memory Man series he has written! With another installment due out April 2018, I just am hoping he doesn't try to end the series with a novel sub-par like he has in End Game and his John Puller series where the ending was horrible too. Normally, I don't write reviews if I don't like a book.

#1 New York Times bestselling author David Baldacci returns with his most breathtaking thriller yet! Will Robie and Jessica Reel are two of the most lethal people alive. They're the ones the government calls in when the utmost secrecy is required to take out those who plot violence and mass destruction against the United States. And through every mission, one man has always had their backs: their handler, code-named Blue Man. But now, Blue Man is missing. Last seen in rural Colorado, Blue Man had taken a rare vacation to go fly fishing in his hometown when he disappeared off the grid. With no communications since, the team can't help but fear the worst. Sent to investigate, Robie and Reel arrive in the small town of Grand to discover that it has its own share of problems. A stagnant local economy and a woefully understaffed police force have made this small community a magnet for crime, drugs, and a growing number of militant fringe groups. But lying in wait in Grand is an even more insidious and sweeping threat, one that may shake the very foundations of America. And when Robie and Reel find themselves up against an adversary with superior firepower and a home-court advantage, they'll be lucky if they make it out alive, with or without Blue Man . . .

America has enemies--ruthless people that the police, the FBI, even the military can't stop. That's when the U.S. government calls on Will Robie, a stone cold hitman who never questions orders and always nails his target. But Will Robie may have just made the first--and last--mistake of his career . . . THE INNOCENT It begins with a hit gone wrong. Robie is dispatched to eliminate a target unusually close to home in Washington, D.C. But something about this mission doesn't seem right to Robie, and he does the unthinkable. He refuses to kill. Now, Robie becomes a target himself and must escape from his own people. Fleeing the scene, Robie crosses paths with a wayward teenage girl, a fourteen-year-old runaway from a foster home. But she isn't an ordinary runaway--her parents were murdered, and her own life is in danger. Against all of his professional habits, Robie rescues her and finds he can't walk away. He needs to help her. Even worse, the more Robie learns about the girl, the more he's convinced she is at the center of a vast cover-up, one that may explain her parents' deaths and stretch to unimaginable levels of power. Now, Robie may have to step out of the shadows in order to save this girl's life . . . and perhaps his own.

in this #1 New York Times bestselling thriller. Will Robie is a master of killing. A highly skilled assassin, Robie is the man the U.S. government calls on to eliminate the worst of the worst--enemies of the state, monsters committed to harming untold numbers of innocent victims. No one else can match Robie's talents as a hitman...no one, except Jessica Reel. A fellow assassin, equally professional and dangerous, Reel is every bit as lethal as Robie. And now, she's gone rogue, turning her gun sights on other members of their agency. To stop one of their own, the government looks again to Will Robie. His mission: bring in Reel, dead or alive. Only a killer can catch another killer, they tell him. But as Robie pursues Reel, he quickly finds that there is more to her betrayal than meets the eye. Her attacks on the agency conceal a larger threat, a threat that could send shockwaves through the U.S. government and around the world.

After failing a critical assignment overseas, Will Robie must investigate a murder accusation against his father--but to save him, he'll have to face a violent and deadly fallout in this New York Times bestselling thriller. Will Robie escaped his small Gulf Coast hometown of Cantrell, Mississippi after high school, severing all personal ties, and never looked back. Not until the unimaginable occurs. His father, Dan Robie, has been arrested and charged with murder. Father and son haven't spoken or seen each other since the day Robie left town. In that time, Dan Robie--a local attorney and pillar of the community--has been elected town judge. Despite this, most of Cantrell is aligned against Dan. His guilt is assumed. To make matters worse, Dan has refused to do anything to defend himself. When Robie tries to help, his father responds only with anger and defiance. Could Dan really be guilty? With the equally formidable

Jessica Reel at his side, Robie ignores his father's wishes and begins his own desperate investigation into the case. But Robie is now a stranger to his hometown, an outsider, a man who has forsaken his past and his family. His attempts to save his father are met with distrust and skepticism...and violence. Unlike the missions Robie undertook in the service of his country, where his target was clearly defined, digging into his father's case only reveals more questions. Robie is drawn into the hidden underside of Cantrell, where he must face the unexpected and possibly deadly consequences of the long-ago choices made by father and son. And this time, there may be no escape for either of them.

A heart-racing thriller from the no. 1 international bestselling author **BOOK 5 IN THE WILL ROBIE SERIES** "Baldacci is a gifted storyteller and he knows how to keep the page turning." Associated Press London is on red alert. Will Robie, as the US government's most lethal assassin, is called in to foil a terrorist attack on the London Underground. An attack serving as a test run for a much larger plot to take place on US soil. Trained to neutralize threats without leaving a trace, he's an indispensable asset to his country. But then reports come in that his mentor, Blue Man, real name Roger Walton, has gone missing while visiting his home town in Colorado. Fearing he's been kidnapped, Robie, and fellow agent Jessica Reel, are sent to investigate. The high-ranking CIA official holds secrets that could threaten national security if released and so only the best will do in tracking him down. This tight-knit community close to the Rocky Mountains holds many secrets and people there are more than willing to take the law into their own hands at the first sign of trouble. To them, two government agents are just that. As their investigation deepens, Robie and Reel come into contact with white supremacists

and a cult that call themselves the King's Apostles. But are either group implicated in the disappearance of Walton? When the truth emerges it will test them both to their very limits . . .

THE WILL ROBIE SERIES Book 1: The Innocent Book 2: The Hit Book 3: The Target Book 4: The Guilty Book 5: End Game

Government operatives Will Robie and Jessica Reel are faced with a lethal mission in *The Target*, from best-selling author David Baldacci. An attack from North Korea looks likely as US involvement in an attempted coup is revealed, and a bond of trust has been broken at the very highest level. Chung-Cha is a young woman who was raised in the infamous Yodok concentration camp. It's a place where honour, emotion and compassion don't exist. Cold, calculating and highly skilled, Chung-Cha has been trained to kill. And the task she has been given is to destroy the enemy at all costs. A dangerous and deadly operation of cat and mouse plays out between East and West. But who will be the hunter and who will be the hunted when the true target is finally revealed . . . ?

In this all-new short story from #1 New York Times bestselling author David Baldacci, worlds collide when government assassin Will Robie is caught in the crossfire with Oliver Stone and the Camel Club. Will Robie is closing in on his next target when he finds himself in the middle of a bank heist--and he's taken hostage alongside Oliver Stone. But is this just a simple bank job, or are the robbers after something even more valuable--and dangerous--than the cash in the vault? Available only as an ebook.

People were happy, thrilled that another monster had met his end. But the world went on, as screwed up as ever, and another monster - maybe even worse - would replace the fallen one. On that clear, crisp morning in the normally serene Central Park his trigger pull would be remembered for a while. Investigations would be made. Diplomatic broadsides exchanged. More people would die in retaliation. And then life would go on. He was one of the best they had. And she came too close for comfort. When government hit man Will Robie is given his next target he knows he's about to embark on his toughest mission yet. He is tasked with killing one of their own, following evidence to suggest that fellow assassin Jessica Reel has been turned. She's leaving a trail of death in her wake including her handler. The trap is set. To send a killer to catch a killer. But what happens when you can't trust those who have access to the nation's most secret intelligence?
