Conclusion - a discussion on why there is evil Within these sections, Baumeister deals with many forms of violence, ranging from violence committed during times of war, gang violence, and even to violence in marriage, such as marital rape. The focus is not only on the perpetrators of violence though - the victims of violence are also discussed.

~~Evil: Inside Human Violence and Cruelty: Baumeister Ph.D.---~~

The most common and familiar form of human evil is violence, and that will be emphasized, although other forms of human evil such as oppression and petty cruelty will also be considered. If I were approaching this work as a philosopher or a theologian, it would be of consummate importance to produce a very compelling and elegant definition of evil, a definition that would be sufficient to decide every possible case.

~~Evil: Inside Human Violence and Cruelty by Roy F.---~~

In this open-minded, provocative, unsettling inquiry into the causes of evil, Baumeister rejects the entrenched view that low self-esteem causes violence and aggression. On the contrary, he argues, violent or evil people tend to have highly favorable opinions of themselves, and cross the line to commit immoral, hurtful acts when they feel their egotism is threatened by others.
