Flow Down Like Silver: Hypatia of Alexandria by Ki Longfellow

Ki Longfellow, author of the acclaimed The Secret Magdalene, has now written the astonishing life of Hypatia, famed throughout the Mediterranean world, a beauty and a genius, yet for 17 centuries ignored by history. As the Roman Empire fights for its life and emerging Christianity fights for our souls, Hypatia is the last great voice of reason. A woman of sublime intelligence, Hypatia ranks above not only all women, but all men. Hypatia dazzled the world with her brilliance, was courted by men of every persuasion and was considered the leading philosopher and mathematician of her age...yet her mathematics, her inventions, the very story of her life in all its epic and dramatic intensity, has gone untold. A heart-breaking love story, an heroic struggle against intolerance, a tragedy and a triumph, Hypatia walks through these pages fully realized while all around her Egypt's Alexandria, the New York City of its day, strives to remain a beacon of light in a darkening world.

Flow Down Like Silver: Hypatia of Alexandria by Ki Longfellow
A historical novel follows the life of Mary Magdalene, detailing her privileged childhood, her prophetic visions, her study in the Great Library of Alexandria, her fascination with John the Baptist's cousin Yeshu'a, and her role as teacher and advisor to Jesus.

Hypatia—brilliant mathematician, eloquent Neoplatonist, and a woman renowned for her beauty—was brutally murdered by a mob of Christians in Alexandria in 415. She has been a legend ever since. In this engrossing book, Maria Dzielska searches behind the legend to bring us the real story of Hypatia's life and death, and new insight into her colorful world. Historians and poets, Victorian novelists and contemporary feminists have seen Hypatia as a symbol—of the waning of classical culture and freedom of inquiry, of the rise of fanatical Christianity, or of sexual freedom. Dzielska shows us why versions of Hypatia's legend have served her champions' purposes, and how they have distorted the true story. She takes us back to the Alexandria of Hypatia's day, with its Library and Museion, pagan cults and the pontificate of Saint Cyril, thriving Jewish community and vibrant Greek culture, and circles of philosophers, mathematicians, astronomers, and militant Christians. Drawing on the letters of Hypatia's most prominent pupil, Synesius of Cyrene, Dzielska constructs a compelling picture of the young philosopher's disciples and her teaching. Finally she plumbs her sources for the facts surrounding Hypatia's cruel death, clarifying what the murder tells us about the tensions of this tumultuous era.

Flow Down Like Silver: Hypatia of Alexandria by Ki Longfellow
Who was Hypatia, Lady Philosopher of Alexandria? A brilliant young mathematician and scientist, murdered by a religious mob? An aging academic assassinated by a rival political party? A sorceress who kept the governor and people of Alexandria in thrall through satanic wiles? Did she discover that the earth circled the sun a thousand years before Copernicus or was she merely a gifted geometry teacher? Hypatia is the subject of much myth-making through the centuries. She's featured in poetry, plays, novels and movies. This collection of essays pulls back the curtain and lets the reader see the real woman behind the stories. You'll find Hypatia needs no embellishment to be a heroine.

Ki Longfellow, acclaimed author of Flow Down Like Silver: Hypatia of Alexandria, The Secret Magdalene, and Houdini Heart has penned Walks Away Woman, a remarkable story of an ordinary woman driven to an extraordinary decision. Overwhelmed, overwrought, and overweight, an everyday housewife walks into the Sonoran Desert to die. But there is more to a desert than sand: thorns, venom, heat, man, beast-and adventure.

HOUDINI HEART harkens back to the masters of suspenseful supernatural horror: Poe, Lovecraft, Shirley Jackson, but speaks with a wholly fresh voice. Once caught in its pages, there's no escaping Longfellow's terrible tale. Weeks ago, she was one of Hollywood's biggest writers, wed to one of its greatest stars. The doting mother of their golden child. But now? She's alone, tortured by a horrifying secret no woman could bear. Pursued by those she can't outrun, anguished by a guilt she can't endure, and driven close to madness, she flees to the one place she's ever called home: a small town in Vermont where River House still stands. To a child, the splendid hotel was mysterious and magical and all its glamorous guests knew delicious secrets. Coooned in its walls, she will write one last book. Her atonement? Or her suicide note? But life is never as you dream it, and River House isn't what she'd always imagined it was. Intense, literary, and harrowing, Houdini Heart is a tale of bone-chilling horror, emotional torment, and psychological terror. Gripped by River House, trapped in an aging hotel of mirrors only Houdini could escape, how much can haunt a mind before it too is only a thing once imagined? "A haunting and disturbing journey through the psyche."-Erika Mailman, Author of "The Witch's Trinity"

Following Perdido Street Station and The Scar, acclaimed author China Miéville returns with his hugely anticipated Del Rey hardcover debut. With a fresh and fantastical band of characters, he carries us back to the decadent squalor of New Crobuzon—this time, decades later. It is a time of wars and revolutions, conflict and intrigue. New Crobuzon is being ripped apart from without and within. War with the shadowy city-state of Tesh and rioting on the streets at home are pushing the teeming city to the brink. A mysterious masked figure spurs strange rebellion, while treachery and violence incubate in unexpected places. In desperation, a small group of renegades escapes from the city and crosses strange and alien continents in the search for a lost hope. In the blood and violence of New Crobuzon 's most dangerous hour, there are whispers. It is the time of the iron council. . . . The bold originality that broke Miéville out as a new force of the genre is here once more in Iron Council: the voluminous, lyrical novel that is destined to seal his reputation as perhaps the edgiest mythmaker of the day. BONUS: This edition contains an excerpt from China Miéville 's Embassytown.

NATIONAL BESTSELLER WINNER OF THE PULITZER PRIZE The searing, post-apocalyptic novel about a father and son's fight to survive. A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing: just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.
