Girl In The Woods A
Molly is tragically murdered on her way home and her body is left in the woods. After a brief investigation a young man called Adrian is convicted of her murder. In the present day, Blair's older sister is terminally ill and on her deathbed reveals something to Blair suggesting that Adrian is an innocent man and should never have been convicted for Molly's death.

Girl in the Woods is Aspen Matis's exhilarating true-life adventure of hiking from Mexico to Canada—a coming of age story, a survival story, and a triumphant story of overcoming emotional devastation. On her second night of college, Aspen was raped by a fellow student. Overprotected by her parents who discouraged her from telling of the attack, Aspen was confused and ashamed. Dealing with a problem that has sadly become all too common on college campuses around the country, she stumbled through her first semester—a challenging time made even harder by the coldness of her college's "conflict mediation" process. Her desperation growing, she made a bold decision: She would seek healing in the freedom of the wild, on the 2,650-mile Pacific Crest Trail leading from Mexico to Canada. In this inspiring memoir, Aspen chronicles her journey, a five-month trek that was ambitious, dangerous, and transformative. A nineteen-year-old girl alone and lost, she conquered desolate mountain passes and met rattlesnakes, bears, and fellow desert pilgrims. Exhausted after each thirty-mile day, at times on the verge of starvation, Aspen was forced to confront her numbness, coming to terms with the sexual assault and her parents' disappointing reaction. On the trail and on her own, she found that survival is predicated on persistent self-reliance. She found her strength. After a thousand miles of solitude, she found a man who helped her learn to love and trust again—and heal. Told with elegance and suspense, Girl in the Woods is a beautifully rendered story of eroding emotional and physical boundaries to reveal the truths that lie beyond the edges of the map.

"I have to tell you something. I did something bad." Fifteen years ago, Blair's best friend Molly was murdered. Fifteen years ago, Adrian Jones went to prison for it. Fifteen years ago, the real killer got away with it. And now, Blair's terminally ill sister has made a devastating deathbed confession, which could prove that the wrong man has been imprisoned for years - and that Molly's killer is still out there. Blair's determined to find him, but the story behind Molly's death is more twisted than she could imagine. If she isn't careful, the killer will ensnare her and bury Blair with his secret.

"An intricate thriller that begins with a missing girl and ends up in unexpected territory" from the #1 New York Times bestselling author of If You Tell (RT Book Reviews, 4 stars). A schoolgirl found it on a nature hike. A severed human foot wearing pink nail polish. A gruesome but invaluable clue that leads forensic pathologist Birdy Waterman down a much darker trail—to a dangerous psychopath whose powers of persuasion seem to have no end. Only by teaming up with sheriff's detective Kendall Stark can Birdy hope to even the odds in a deadly game. It's a fateful decision the killer wants them to make. And it's the only way Birdy and Kendall can find their way to a murderer who's ready to kill again . . . Praise for Gregg Olsen's Novels "Grabs you by the throat."—Kay Hooper "An irresistible page-turner."—Kevin O'Brien "Olsen writes rapid-fire page-turners."—The Seattle Times "Frightening . . . a nail-biter."—Suspense Magazine "A work of dark, gripping suspense."—Anne Frasier "Truly a great read."—Mystery Scene Magazine "Olsen writes rapid-fire page-turners." —Seattle Times "Grabs you by the throat." —Kay Hooper "The fifth Waterman and Stark thriller from the very talented Gregg Olsen . . . it's truly a great read." —Mystery Scene Magazine

"With its singular characters, eerie subject matter, and socko style" (The New York Times), this gripping thriller from the internationally bestselling author John Connolly follows Private Investigator Charlie Parker as he is hired to track down the identity of a dead woman—who apparently died in childbirth—and her missing child. In the beautiful Maine woods, a partly preserved body is discovered. Investigators realize that the young woman gave birth shortly before her death. But there is no sign of a baby. Private detective Charlie Parker is hired by a lawyer to shadow the police investigation and find the infant but Parker is not the only one searching. Someone else is following the trail left by the woman, someone with an interest in much more than a missing child...someone prepared to leave bodies in his wake. And in a house by the woods, a toy telephone begins to ring and a young boy is about to receive a call from a dead woman. With breathless pacing and shivery twists and turns, "this is Connolly's masterpiece" (Publishers Weekly, starred review).

She finally had the family she had always wanted, so why did she feel as though someone had stepped on her grave? Suzannah and Noel are desperate for a child so when they get the chance to adopt a young girl called Orchid, they jump at the chance. They have been warned that it will take time for Orchid to settle into their family, but the problems they encounter seem out of the ordinary. Rooms are flooded, mirrors are smashed and Orchid owns up to none of it. Then things take a sinister turn and Suzannah becomes truly frightened. Who is this child they have let into their lives and will they ever be able to tame her?
