Day-by-day diary of the Tokyo 1964 Olympics - AW

A gold medal is a medal awarded for highest achievement in a non-military field. Its name derives from the use of at least a fraction of gold in form of plating or alloying in its manufacture.. Since the eighteenth century, gold medals have been awarded in the arts, for example, by the Royal Danish Academy, usually as a symbol of an award to give an outstanding student some financial freedom.

The Gold Medal is a 1969 Hindi-language spy film, produced by Sham Behl under the Time Films banner and directed by Ravikant Nagaich.It stars Jeetendra, Rakhee Gulzar, Shatrughan Sinha in the lead roles while Dharmendra in a special appearance. The music was composed by Shankar Jaikishan.

The Gold Medal (film) - Wikipedia

But by then there was also a growing number of medals struck on official account. The Coronations of 1821, 1831 and 1838, for instance, required the Mint to strike hundreds of medals in gold, silver and bronzed copper for distribution on the day of the ceremony and also for sale afterwards.

Medals and the Royal Mint

It was a special time for me, a special Olympic Games. It was the third Games for both of us, and we won a gold medal after two attempts. It was a beautiful event for us, but the conditions over there were pretty tough and challenging. We sailed on the ocean and inside the harbour, so we really needed to spend a lot of time there, which we did.

Alex: In our Medal Race in Rio there were four of us who went in on kind of equal points, so it made for a really exciting race. We could have got anywhere from gold or fourth. It was all on and for a while we were in the gold medal position, then we dropped back to second, and I think there was a few seconds in it at the finish; a close and exciting Medal Race!

For the bronze medal, NOCs carefully makes an alloy of copper and other elements, usually tin and zinc, to form a strong bronze medal that is resistant to erosion. The three metal compositions are 97% copper, 2.5% zinc, and 0.5% tin. The size and dimensions remain similar to that of gold and silver medals.

In Gold Medal Diary, Hayley Wickenheiser, three-time Olympic gold medal winner and captain of the Canadian Women's Olympic Hockey Team, reveals her day-to-day experiences of the 2010 Games, including the six-month lead-up of intensive training and pre-Olympic tournaments. She shares the life of an Olympian -- the behind-the-scenes stories, the highs and lows, physical and emotional challenges, struggles and triumphs of an elite athlete in a hyper-intense environment, including details of the public ceremonies and private moments, friendships and rivalries, community and isolation, media presence and security. For the first time ever, readers travel inside the storied Athletes’ Village and understand what it’s like to live through the most high-pressure, high-profile sporting event in the world.

Based on, and using excerpts from, his personal diaries from 1954 to 1976, John Hohenberg discusses the decisions and events surrounding the awarding of the Pulitzer Prizes during the years when he was the administrator of the prize.

Female Olympian and Paralympian Events is a groundbreaking book that examines women’s sports in the Olympic and Paralympic Games, which have long been underappreciated and under-analyzed. The book begins with a brief background on women’s participation in the Olympic Games and their role relative to the International Olympic Committee, then introduces the underlying Gendered Critical Discourse Analysis theory used throughout the book’s analysis before delving into a literature review of female Olympians and Paralympians’ events. It includes a listing of noteworthy “firsts” in the field, followed by individual discussions of twenty-eight Summer and seven Winter events, analyzed according to their historical, rhetorical, and popular cultural representations. Women’s unique role(s) in the various events are discussed, particular athletes and Paralympic events are highlighted, and original tables are also included. At the end of each section, affiliated organizations and resources are included in this invaluable referential volume.

The earliest forms of ice hockey developed over the centuries in numerous cold weather countries. In the 17th century, a game similar to hockey was played in Holland known as kolven. But the modern sport of ice hockey arose from the efforts of college students and British soldiers in eastern Canada in the mid-19th century. Since then, ice hockey has moved from neighborhood lakes and ponds to international competitions, such as the Summit Series and the Winter Olympics. Historical Dictionary of Ice Hockey traces the history and evolution of hockey in general, as well as individual topics, from their beginnings to the present, through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary has more than 600 cross-referenced entries on the players, general managers, managers, coaches, and referees, as well as entries for teams, leagues, rules, and statistical categories. This book is an excellent access point for students, researchers, and anyone wanting to know more about ice hockey.

Memoirs, autobiographies, and diaries represent the most personal and most intimate of genres, as well as one of the most abundant and popular. Gain new understanding and better serve your readers with this detailed genre guide to nearly 700 titles that also includes notes on more than 2,800 read-alike and other related titles. • A list of subjects and suggested "read-alikes" accompany each title • Appendixes cover awards, websites, and resources • Detailed indexes provide further points of access

The greatest of the greatest generation are not found in Tom Brokaw's book, The Greatest Generation. Overlooked in most schools, the most successful program undertaken during President Franklin Roosevelt's "New Deal," the Civilian Conservation Corps (CCC), is largely ignored. Although Gold Medal CCC Company 1538: A Documentary follows a single company from its birth in conditioning camp until its premature demise, it is also a "text book" history of the CCC and the significant role the Army played in it.

"Whether he's hustling his way into Mike Tyson's mansion for an interview, betting his life savings on a boxing match, becoming romantically entangled with one of Fidel Castro's granddaughters, or simply manufacturing press credentials to go where he wants, Brin-Jonathan Butler has always been the 'act first, ask permission later' kind of journalist. This book is the culmination of Butler's decade spent in the trenches of Havana, trying to understand a culture perplexing to Westerners: one whose elite athletes regularly forgo multimillion-dollar opportunities to stay in Cuba and box for their country, while living in penury"--

The edited, annotated diary of President Jimmy Carter--filled with insights into his presidency, his relationships with friends and foes, and his lasting impact on issues that still preoccupy America and the world Each day during his presidency, Jimmy Carter made several entries in a private diary, recording his thoughts, impressions, delights, and frustrations. He offered unvarnished assessments of cabinet members, congressmen, and foreign leaders; he narrated the progress of secret negotiations such as those that led to the Camp David Accords. When his four-year term came to an end in early 1981, the diary amounted to more than five thousand pages. But this extraordinary document has never been made public--until now. By carefully selecting the most illuminating and relevant entries, Carter has provided us with an astonishingly intimate view of his presidency. Day by day, we see his forceful advocacy for nuclear containment, sustainable energy, human rights, and peace in the Middle East. We witness his interactions with such complex personalities as Ted Kennedy, Henry Kissinger, Joe Biden, Anwar Sadat, and Menachem Begin. We get the inside story of his so-called "malaise speech," his bruising battle for the 1980 Democratic nomination, and the Iranian hostage crisis. Remarkably, we also get Carter's retrospective comments on these topics and more: thirty years after the fact, he has annotated the diary with his candid reflections on the people and events that shaped his presidency, and on the many lessons learned. Carter is now widely seen as one of the truly wise men of our time. Offering an unprecedented look at both the man and his tenure, White House Diary is a fascinating book that stands as a unique contribution to the history of the American presidency.
