Alice Worth reminds me of a combination of Wynonna Earp, Jessica Jones, and Kate Daniels. She is funny, kind, sarcastic, lost, and so flawed. She is utterly human. Albeit, a very powerful human.

Farmed in Un'Goro with a guildie for Essences of Fire for his Robe of the Void. Got 4 essences before I logged (we went for about 2 hours). I don't know how many Heart of Fire he got (at least 4 himself, he had 3 after an hour when I asked). I ended the night with 6 of them and two Elemental Fires. No essences for me though.

Nicole Michelin avoids airplanes, motorcycles, and most of all, Japan, where her parents once were missionaries. Something happened in Japan...something that sent Nicole and her father back to America alone...something of which Nicole knows only bits and pieces. But she is content with life in little Mount Olive, North Carolina, with her quirky relatives, tank of lively fish, and plenty of homemade pineapple chutney. Through her online column for the Pretty Fishy Web site, she meets Harrison Michaels, who, much to her dismay, lives in Japan. She attempts to avoid him, but his e-mails tug at her heart. Then Harrison reveals that he knew her as a child in Japan. In fact, he knows more about her childhood than she does...

Jay, your average stoner from Portland Oregon, finds out when he's twenty-one that he is Jesus, the son of God. This may have been a good thing if it weren't for the fact that he had been molested early in life by a Catholic Priest. It is a comic and tragic tale of reincarnated Disciples, and a difficult choice on whether the world is worth saving. Jay grows up thinking he's a normal kid. Through a series of hilarious and heartbreaking adventures, he finally learns of his true identity, long after he was supposed to. His reincarnated disciples are a mixture of loveable and misunderstood characters that join Jay on a journey across the Country that leads them to Elvis, Oprah, jail, and near death experiences. And when Jay becomes too big for the Church to control, they confront a situation that could very well destroy the world.

A journey through a land where Milo learns the importance of words and numbers provides a cure for his boredom.

A great writer's sweeping story of men and women struggling to reclaim their lives in the aftermath of world conflict The Great Fire is Shirley Hazzard's first novel since The Transit of Venus, which won the National Book Critics Circle Award in 1981. The conflagration of her title is the Second World War. In war-torn Asia and stricken Europe, men and women, still young but veterans of harsh experience, must reinvent their lives and expectations, and learn, from their past, to dream again. Some will fulfill their destinies, others will falter. At the center of the story, Aldred Leith, a brave and brilliant soldier, finds that survival and worldly achievement are not enough. Helen Driscoll, a young girl living in occupied Japan and tending her dying brother, falls in love, and in the process discovers herself. In the looming shadow of world enmities resumed, and of Asia's coming centrality in world affairs, a man and a woman seek to recover self-reliance, balance, and tenderness, struggling to reclaim their humanity. The Great Fire is the winner of the 2003 National Book Award for Fiction.
