Holt Collier: His Life, His Roosevelt Hunts, and the ...

The dogs were tended by Holt Collier, a former slave who was credited with killing more than three thousand bears in his lifetime. It was Collier who had single-handedly captured and tied to a tree the bear that Roosevelt famously then refused to shoot during the 1902 Mississippi hunt.

Describes how black guide Holt Collier's plea for Teddy Roosevelt to spare the life of a bear led to the creation of the teddy bear.

A tribute to the one of baseball's most beloved players, Pittsburgh Pirates Roberto Clemente, shows how his skills made him the first Latin American player to be inducted into the Hall of Fame and how his career was cut short. By the creators of the Coretta Scott King Honor Book, Visiting Langston.

Set in 1957, Jericho Walls is an unforgettable and inspiring novel about the power of friendship for a young girl growing up amid racism. "I woke early that first Sunday in Jericho. The sun was barely a stain in the sky, but the air was hot and clammy. My nightgown stuck to my skin. I padded to the bathroom and splashed my face with cold water. My stomach clenched in a queasy ball . . . I'd keep myself out of trouble in Jericho, I promised myself. I'd do all the right things and make lots of good friends and no one would care a whit about my being a preacher's daughter." Jo Clawson isn't the boy her father wanted, and she's not the "young lady" her neighbors expect of the preacher's daughter, either. But even though Jo doesn't always meet the expectations of the people around her, she still longs to fit in. When she and her family leave their northern home for the small southern town of Jericho, Alabama, Jo might finally stop picking fights and settle in right. But when Jo befriends a young black boy, she discovers that "fitting in" is about a lot more than proper manners or a smart outfit. Suddenly she's faced with a new set of questions that call up her own values. Maybe some fights are worth picking, after all.

The years from 1820 to 1920 saw the sport of bear hunting at its greatest flowering. Much of the country was still wild enough to support large numbers of both black and grizzly bears, who in turn supported a remarkable assortment of bear hunters. Some, like David Crockett and Theodore Roosevelt, became internationally famous. Others, like Wilburn Waters and Holt Collier, are almost completely forgotten, though their exploits were just as extraordinary. "The Bear Hunter's Century" brings to life the hard, thrilling lives, of these men. Not just a book of adventures, this a fascinating social history told with wit and style, a penetrating examination of the often inaccurate lore of bear

hunting, and a celebration of the amazing skills developed by the best bear hunters.

Joshua Lawrence Chamberlain earned the sobriquet “ Lion of the Round Top ” for his tactical brilliance leading his 20th Maine Infantry on the rocky wooded slopes of Little Round Top at on the evening of July 2, 1863. Promoted to brigade command, he was presumed mortally wounded during an assault at Petersburg on June 18, 1864, and bestowed a rare “ on the spot ” battlefield promotion to brigadier general. He survived, returned to the command in 1865, and participated in the surrender of Lee ’ s veterans at Appomattox. Chamberlain went to his grave a half-century later believing he was wounded while advancing alone from the future site of “ Fort Hell. ” His thrust, so he and others believed, was against the permanent fortifications of the Dimmock Line at Rives ’ Salient, near the Jerusalem Plank Road, through a murderous flank fire from what was soon to become Confederate-held Fort Mahone. This narrative has been perpetuated by Chamberlain scholars and biographers over the past century. Chamberlain ’ s wounding and Rives ’ Salient are now fused in the modern consciousness. This interpretation was given an additional mantle of authority with the erection of a Medal of Honor Recipient ’ s placard near South Crater Road by the Virginia Department of Historic Resources on November 8, 2014. In fact, author Dennis A. Rasbach argues, a careful review of the primary evidence left by Chamberlain and his contemporaries suggests that Chamberlain was mistaken regarding the larger context of the engagement in which he fought and fell. An overwhelming body of evidence, much of it derived from Chamberlain himself, demonstrates he actually attacked a different part of the Confederate line in the vicinity of an entirely different road. This part of the Petersburg campaign must now be rewritten to properly understand the important battle of June 18, 1864, and Chamberlain ’ s role in it. Richly illustrated with photos and original maps, and documented with extensive primary accounts, Rasbach ’ s Joshua Lawrence Chamberlain and the Petersburg Campaign dispels a well-established Civil War myth, and sets the historical record straight.

"Cotton obsessed, Negro obsessed," Rupert Vance called it in 1935. "Nowhere but in the Mississippi Delta," he said, "are antebellum conditions so nearly preserved." This crescent of bottomlands between Memphis and Vicksburg, lined by the Yazoo and Mississippi rivers, remains in some ways what it was in 1860: a land of rich soil, wealthy planters, and desperate poverty--the blackest and poorest counties in all the South. And yet it is a cultural treasure house as well--the home of Muddy Waters, B.B. King, Charley Pride, Walker Percy, Elizabeth Spencer, and Shelby Foote. Painting a fascinating portrait of the development and survival of the Mississippi Delta, a society and economy that is often seen as the most extreme in all the South, James C. Cobb offers a comprehensive history of the Delta, from its first white settlement in the 1820s to the present. Exploring the rich black culture of the Delta, Cobb explains how it survived and evolved in the midst of poverty and oppression, beginning with the first settlers in the overgrown, disease-ridden Delta before the Civil War to the bitter battles and incomplete triumphs of the civil rights era. In this comprehensive account, Cobb offers new insight into "the most southern place on earth," untangling the enigma of grindingly poor but prolifically creative Mississippi Delta.

Over a century ago readers of sporting journals in America and Europe relished the tales of Mississippi Delta bear hunter Robert Eager Bobo. Yet, in the years since, this most famous bear hunter of the late 1800s has been all but forgotten - until now. The Bear Hunter brings to the modern reader, not only the true chronicles of Bobo's bear hunting, but a fascinating and thoroughly entertaining picture of

pioneer life in the nineteenth century wilderness of the lower Mississippi Valley sure to delight hunters, outdoors lovers, nature enthusiasts, southern history buffs, folklore fans, and anyone who just enjoys a good book. Come now with Bobo and a variety of captivating characters - including the notorious outlaw Jesse James - on their quests for black bear in an environment that now exists only on the pages of history: the wild, trackless, Mississippi Delta canebrake. Gallop at a breakneck pace through sloughs and swamps, where a horse's stumble over a cypress knee could mean sudden disaster; thrill to the savage chorus of the hounds as they pursue their game; charge into the cane to knife the bear before it can decimate the pack; taste the fear when the tables turn and hunter becomes the hunted; relax by the campfire on a frosty November evening and listen to the tales of wolf and panther and gun and knife; laugh, too, at comical stories of old time Delta backwoods ways; and, perhaps, shed a tear, as the inevitable tragedies of life visit your newfound friends. Let us not delay! The hunters are gathered; the horses are champing at their bits; the dogs are spoiling for a fight; Bobo is sounding his horn. It is time to ride.

Can Andy live up to his brother's basketball legacy? When Andy Soaring's older brother, Pete, died in World War I, Andy's life changed forever. Now, five years later, Andy is fourteen and beginning to feel the weight of his brother's legacy, especially when he holds Pete's basketball in his hands. Andy dreams of leading his high-school team to the Indiana state tournament, as his brother did before him. If only Andy could be a basketball star, maybe he could ease his parents' sadness, and, more important, feel like he truly belongs to his family. But when Andy lets pride get in the way—over a girl, no less—all bets are off. Set against the backdrop of Prohibition, this stunning novel tells of one boy's search for answers—and the perfect free throw.
