colours. Long ago in the Dreamtime, all the birds were black in colour. They did not have any bright or fancy colours on their feathers. First, a little bird was flying around looking for food. The little bird flew down to catch a big, juicy grub. When the bird flew down to the ground, it hurt itself on a

How did the birds get their colours?

According to the Dreamtime story, birds all used to be black and have no colour.

One day, a bird landed on a sharp branch, which cut into his foot and made it swell, and all birds except the crow came to his aid and looked after him until the swelling
