Great hinges, HORRIBLE screws - but there's a fix! andsoitgoes Okay so I had a horrible, horrible time with these hinges and the besta doors. Literally one of the most frustrating building experiences I've ever had with ikea furniture. I stripped 3 screws and had to go back to get more hinges. Then I read comments here from another reviewer who swapped out the screws from RONA. Great, but ...

Could do with better hinges JL9999 The Besta units are great and easy to assemble. However the hinges for the door could be improved. The old ones were better when you could clip the doors on. This makes a very big difference especially for a long 2.3m door. Had trouble holding the door up right while screwing in the hinge. Whereas I could easily just clip the hinges together in the past with ...
