Just Your Type: Create the Relationship You've Always ...

Just Your Type certainly gives facts about each personality type and the way they come together in relationships in ways you won't see anywhere else. My only complaint is that each type combination is given only a short section, and I believe an improvement on the progress made on this book would be a series of full books for each of the 16 ...

The message behind Just Your Type is simple but powerful: if you want to be healthy, fit, slim, and strong, focus on the physical and dietary moves that will enhance your natural-born body type. Just Your Type reveals how to accurately figure out your natural body type (ectomorph, mesomorph, endomorph, or, most often, a hybrid of those types), and help anyone create an individualized workout that's tailored to their body shape and composition.

While fitness trends and fad diets will come and go, your body type (somatotype) is the one constant that's never going to change. Just Your Type helps anyone create an individualized workout that's tailored to their body shape and composition. Working harder isn't always the answer, but working smarter is.

Just your type Meet some of Plymouth's graphic design students in our letterpress and typography studio "The digital age has removed us from the hands-on, tactile art of printing," says Plymouth University's letterpress technician Paul Collier. But the traditional practice of letterpress printing is alive and well here.
