The Secret To Kickstarter's Success Isn't What You Think. By Shane Snow April 30th, 2014. I recently had dinner with a group of startup founders who are tackling challenges in various creative industries—digital art, electronic music, cooking, shoe design. At one point, the conversation turned toward the crowdfunding website Kickstarter.

Kickstarter Success Secrets gives tips, dos and don'ts that are...

Forever shamed for family actions a century earlier, Antiquity Grey is a young woman living in a far-future city of Erth. It is a life of danger and hardship, dragons and advanced technology. But when she discovers an outlawed and operational mech buried in the sands of her planet, she realizes its secrets hold the power to reverse her family's dishonor while challenging the Imperium's off-world oppressive might.

"Dead men don't make phone calls, John." Has a shadowy enemy somehow risen from the dead, or is John Pilate finally losing his mind? In this acclaimed installment of the John Pilate Mysteries, Pilate must master his fear and marshal his resources to defend his family and his life. In a desperate fight for survival, he discovers he isn't the only one fighting to live, and that not all ghosts from his past are hostile... Book 3 in the Thrilling, Gripping John Pilate Mysteries!A 2013 Kindle Book Review Awards semi-finalist for Best Mystery/Thriller! Named a "Page Turner" by Shelf Unbound Literary Magazine.

NEW YORK TIMES BESTSELLER • An inspiring personal story of redemption, second chances, and the transformative power within us all, from the founder and CEO of the nonprofit charity: water. At 28 years old, Scott Harrison had it all. A top nightclub promoter in New York City, his life was an endless

cycle of drugs, booze, models—repeat. But 10 years in, desperately unhappy and morally bankrupt, he asked himself, "What would the exact opposite of my life look like?" Walking away from everything, Harrison spent the next 16 months on a hospital ship in West Africa and discovered his true calling. In 2006, with no money and less than no experience, Harrison founded charity: water. Today, his organization has raised over \$400 million to bring clean drinking water to more than 10 million people around the globe. In *Thirst*, Harrison recounts the twists and turns that built charity: water into one of the most trusted and admired nonprofits in the world. Renowned for its 100% donation model, bold storytelling, imaginative branding, and radical commitment to transparency, charity: water has disrupted how social entrepreneurs work while inspiring millions of people to join its mission of bringing clean water to everyone on the planet within our lifetime. In the tradition of such bestselling books as *Shoe Dog* and *Mountains Beyond Mountains*, *Thirst* is a riveting account of how to build a better charity, a better business, a better life—and a gritty tale that proves it's never too late to make a change. 100% of the author's net proceeds from *Thirst* will go to fund charity: water projects around the world.

NATIONAL BESTSELLER • The gripping story of Elizabeth Holmes and Theranos—one of the biggest corporate frauds in history—a tale of ambition and hubris set amid the bold promises of Silicon Valley, rigorously reported by the prize-winning journalist. With a new Afterword. "Chilling ... Reads like a thriller ... Carreyrou tells [the Theranos story] virtually to perfection." —The New York Times Book Review In 2014, Theranos founder and CEO Elizabeth Holmes was widely seen as the next Steve Jobs: a brilliant Stanford dropout whose startup "unicorn" promised to revolutionize the medical industry with its breakthrough device, which performed the whole range of laboratory tests from a single drop of blood. Backed by investors such as Larry Ellison and Tim Draper, Theranos sold shares in a fundraising round that valued the company at more than \$9 billion, putting Holmes's worth at an estimated \$4.5 billion. There was just one problem: The technology didn't work. Erroneous results put patients in danger, leading to misdiagnoses and unnecessary treatments. All the while, Holmes and her partner, Sunny Balwani, worked to silence anyone who voiced misgivings—from journalists to their own employees.

The words "Not Guilty" set one man free, but somehow made all African-Americans, no matter their varied opinions, the enemy. "... the defendant, Orenthal James Simpson, not guilty of the crime of murder..." The Trial of the Century had come to an end. The verdict hit the airwaves and the eyes of the nation descended on the city that made superstars out of attorneys. As an African-American recent college graduate living and working in the city, that verdict had a profound effect on me and the life I made for myself. The trial and the shocking verdict served as the impetus for what would be months of turmoil and unrest. Protests, debates, and incessant banter from both sides of the aisle permeated in our membranes. Lives were changed. Alliances were formed. Mistrust became the rule, not the exception. The words "Not Guilty" set one man free, but somehow made all African-Americans, no matter their varied opinions, the enemy. No one cared to seek our perspective. No one bothered to ask the right questions. We were clumped together as if our stories were one and the same. From the horrific Rodney King assault, to the unsettling residuum following the O.J. Simpson verdict, my life changed in profound ways. SCROLL UP AND BUY NOW. Keywords: O.J. Simpson Trial, Trial of the Century, Nicole Brown Simpson, Ron Goldman, LA Riots, Los Angeles Riots, Rodney King, Johnnie Cochran, F. Lee Bailey, Robert Shapiro, Robert Kardashian, Marcia Clark, Christopher Darden, If It Doesn't Fit, You Must Acquit, Bloody Glove, True Story, Mark Fuhrman, Judge Lance Ito

Have you ever wondered why some video game characters wear trousers and others don't? Or pondered the connection between a character's toned, muscular derriere and their level of dexterity? What about the depth of a crack, the jiggle of a cheek? When it comes to video game character designs, one of the most overlooked aspects is the buttocks. Sure, we might appreciate a nice toned butt on a character or giggle at GIFs of farts from time to time, but how often do we stop to really think about the meaning of the butt? In *Things I Learned from Mario's Butt*, video game critic Laura Kate Dale brings backsides to the foreground, analysing dozens of posteriors and asking the important questions: Has Mario let himself go? Do Link's small buttocks hold him back? When he dies, is Pac-Man eaten by his own caboose? Wedged full of original artwork by Zack Flavin, and featuring interviews with game developers and guest butt reviews from gaming favourites such as Jim Sterling, Stuart Ashen, Brentalfloss and more, this book is a deep dive into why butts are downright integral to the games we play. So, crack it open and have a cheeky look inside at some of the most interesting bottoms the world of video games has to offer.

A Prince's Errand, Book One of Tales of the Amulet begins an exciting new epic fantasy saga. Several millennia ago a war raged between the factions of dragonkind. With their world ravaged, the Kaldean Alliance forged the Amulet of Draconic Control and the Tethering Stone, and banished their foes to other realms, saving Kalda from utter destruction. Fearing the power of the Amulet, the survivors secreted it away. But now knowledge of the Amulet has resurfaced—and in the wrong hands, war could erupt anew. A PRINCE'S ERRAND Long ago, men harnessed the Channels of Power, creating tevisrals—devices capable of manifesting magic. But men weren't the only ones to accomplish such feats. Dragons crafted the most sophisticated tevisrals. These shaped the world, defining civilization of man and elf alike. Over the centuries, the people of Kalda have fallen into a dark age, where elves are estranged from men and dragons have retreated into legend. Tevisrals are scarce and men are willing to trade everything for them. But there are some who wish to bury the past, and in their lands, possessing tevisrals is tantamount to treason. Still, daring men scour the world in search of Kalda's past. One such man,

the scholar Krindal, seeks an ancient order known as the Keepers of Truth and Might. He yearns for their knowledge, long feared lost. Prince Kaescis Midivar also searches for these Keepers. The assassination of his uncle, the emperor of Mindolarn, killed his hopes of peace with his empire's enemies. His empire's survival hinges upon unearthing the Keepers' secrets. An aging warrior, Cornar Dol'shir, longs to be home with his wife. But his retirement must wait, as his band of adventurers is recruited to help find the Keepers' hidden temple on the Isle of Klindala. Haunted by his tragic past, Iltar, the Son of Adrin, does not join in the search for the Keepers. Instead, he seeks to unravel the mysteries held within a volume of prophecy foretelling the advent of the Unspoken One and the return of the Crimson Eye. His search takes him to the Empire of Mindolarn, where all is not as it seems. An ancient war was won by a simple amulet. It brought peace, but in the wrong hands it could spell a doom the likes of which no world has ever seen. May the Crimson Eye remain hidden for all time...

A beautifully designed guidebook to the unnoticed yet essential elements of our cities, from the creators of the wildly popular 99% Invisible podcast

Rhyming text shows how heroes, from cowboys and princesses to astronauts and doctors, have to go to sleep each night.

2016 Silver Nautilus Book Award Winner Brew your own kombucha at home! With more than 400 recipes, including 268 unique flavor combinations, you can get exactly the taste you want – for a fraction of the store-bought price. This complete guide, from the proprietors of Kombucha Kamp, shows you how to do it from start to finish, with illustrated step-by-step instructions and troubleshooting tips. The book also includes information on the many health benefits of kombucha, fascinating details of the drink's history, and recipes for delicious foods and drinks you can make with kombucha (including some irresistible cocktails!). “This is the one go-to resource for all things kombucha.” – Andrew Zimmern, James Beard Award-winning author and host of Travel Channel's Bizarre Foods
