Les Marees Terrestres

If you are a robot enthusiast who wants to quickly get the most out of Lego Mindstorms EV3, this is the book for you. Prior programming experience is useful to get the most out of this book, but not necessary.

Indulge in your favorite hue (or two!) with fabric designer Jessica Levitt. Bright and bold quilt blocks pair same-color prints with strong solids for depth and lots of personality. Stitch random-width strips to a muslin base for a planned approach to improv. Giant-size blocks join together like a fun puzzle, forming a graphic secondary pattern when you piece the quilt top!

This, the second edition of the BSAVA Manual of Canine and Feline Musculoskeletal Imaging, has been extensively updated reflecting the dramatic changes that have taken place in radiography over the past 10 years. With the increasing availability of digital radiography in general veterinary practice and a greater accessibility to cross-sectional imaging techniques the editors have included five new chapters covering the basics of the different imaging modalities with particular reference to their use in musculoskeletal imaging. Comparisons are drawn between the different techniques and a generous use of illustrations and images bring an example driven clarity and understanding to the written word. As in the previous edition, the manual is structured along anatomical lines and the updated chapters have all been expanded to include more ultrasound as well as CT, MRI and scintigraphy. The practical nature of the manual makes it ideal for use in general practice as well as being a rich source of information for students and newly qualified veterinary surgeons. However, the depth of information supplied by an international panel of authors makes the BSAVA Manual of Canine and Feline Musculoskeletal Imaging second edition a useful reference for orthopaedic surgeons and specialist radiologists. Additionally, there is an accompanying CD featuring video clips as well as all the images used throughout the manual.

In order to take control, you often have to let it go... Carla Johnson thinks issuing orders to a lover will keep her heart safe and leave her in charge of her own destiny. Afraid for Carla's future, her best friend Heather implores her to change her self-centered ways, handing her a list of love life mistakes to steer clear of: Casual Sex Friends with Benefits Avoidance of Intimacy Carla ignores the list--unwilling to face she might have a commitment problem. Until she invites a co-worker to her place one night. She instantly regrets the hum-drum sexual encounter and discourages the accountant from pursuing her. Andy Shea refuses to become another lover the feisty blonde dumps. It'll take a patient man with a strong hand to unlock Carla's sexual awareness and win her heart. He's up for the challenge to convince her he's the one--and eager to prove this number cruncher won't make a boring bedmate.
