In their third faery art book, AAPPL present an ever-more artistically notable collection of magical images. Ravenscroft's faery and fantasy paintings are very detailed, transporting the viewer into mysterious worlds. She offers some detail about her approach to her art, but generally lets the images speak for themselves. The exquisite gift book has a padded front and gilt edges which will delight faery-lovers.

This practical beginner's guide includes all the inspiration you need to draw and paint a range of fairy habitats as well as the fairy folk that live in them.

Discover how to work magick with faeries and elemental spirits From the world of the wee folk to the history and lore of faeries, you'll explore all things fey in this easy-to-use, essential guide. The spirits of earth, water, fire, and air—as well as golems and goblins, boggarts and brownies, orcs and ogres—help us tune into the cycles of nature and work with the amazing magick around us. Through practical spells, rituals, and empowerments, *The Magick of Faeries* will teach you how to use natural energies and essences for wishes, prosperity, love, protection, personal transformation, and family health and happiness. Learn to identify and connect with over a hundred nature spirits, including the local spirits who share your home and guard sacred places. Explore the *Treasury of Faerie Wisdom*, a collection of useful information that will help you understand the structure of fey magick and create your own rituals. Cassandra Eason's comprehensive book is your key to living in harmony with the incredible beings of nature.

This practical guide offers the fairy artist a vast resource of ideas and techniques for creating extraordinary fairy creatures. Bring to life these magical people from the "otherworld," using this resource of constructional drawings of heads, hands, bodies, and wings, and trace-off outlines you can adapt to suit your own ideas. Whether you are a newcomer to the world of fairy art or a more experienced artist, and whether you are working with traditional media or on a computer, this book is a must-have.

"This is America—a town of a few thousand, in a region of wheat and corn and dairies and little groves." So Sinclair Lewis—recipient of the Nobel Prize and rejecter of the Pulitzer—prefaces his novel *Main Street*. Lewis is brutal in his depictions of the self-satisfied inhabitants of small-town America, a place which proves to be merely an assemblage of pretty surfaces, strung together and ultimately empty.

A renowned artist captures the vibrancy and grace of faeries, elves, sprites, and nymphs in their lush gardens, offering beginners an introduction to the tarot and the major and minor arcana, with sample readings and a quick reference guide to the cards.

Add a little magic to each day in 2011. The quick and easy spells in this almanac make it perfect for beginning spellcasters and busy Witches.
