I could no longer deny what the heat in my cheeks meant when I was around Flynn. I was falling for my sister's boyfriend. There's just something about Flynn. Yes, he's a tall, unbelievably gorgeous, dark-haired football player, but . . . he's also sweet and nice and super easy to talk to. It's lucky I'm the photographer for the school paper, because my camera likes Flynn almost as much as I do. Unfortunately for me, so does my sister, and there's no way I can nab Flynn with her in the picture. But could this be the real thing?

It was only supposed to be one night.A thousand dollars to pretend to be Nolan Cline's girlfriend.How could I say no to that?I was probably the only virgin escort on the planet, but Mr. Cline didn't have to know about my lack of experience for the job.All I had to do was hang onto his arm, smile, and look presentable to the rich CEO billionaire's friends and coworkers.It was all great until I saw the possessive and territorial look in Nolan's eyes when he first spotted me in my red dress...Then, I knew that there wouldn't be any pretending between us.It started in the limo... it continued at the gala... until we were so consumed with need for each other that I ended up looking anything but presentable.I might have been the first virgin escort on the planet at the start of the date... But I definitely won't be by the end of it.After one look at his pretend date, Nolan Cline shows Arya just how much of an Over-The-Top possessive alpha he really is. SAFE, no cheating, and a sweet HEA that will have you grinning and blushing! Enjoy!

Nora Reid believes scientific laws control everything, even love.
