Steamy love tutor: romance with an inexperienced football player and the free spirit who rocks his world.Jackson Lancaster is a mystery. But if the shoe fits ...Except in this case, it doesn't. At all. In fact, I don't think I've ever seen Jackson with anyone, male, female, or otherwise.When I learn that it's lack of experience holding him back-not lack of interest, and definitely not lack of opportunity-I find myself drawn to the idea of helping him out.I've been looking for a project. And it seems like teaching Jackson the ways of love and pleasure is just the project I need.The Love Playbook is a standalone love tutor romance featuring a shy, straight-laced football player and the off beat woman who turns his world upside down. HEA guaranteed!

The problem is, no one at Oakley knows Spencer is trans—he's passing. But when a discriminatory law forces Spencer's coach to bench him, Spencer has to make a choice: cheer his team on from the sidelines or publicly fight for his right to play, even though it would mean coming out to everyone—including the guy he's falling for.
