Set amid the ruins of Manila devastated by World War II, his stories are steeped in the post-colonial anguish and hopes of his era and resonate with the ironic perspectives on colonial history of Gabriel García Márquez and Mario Vargas Llosa. His work meditates on the questions and challenges of the Filipino individual's new freedom after a long history of colonialism, exploring folklore, centuries-old Catholic rites, the

"Joaquin's book also offers many other startling discoveries of the tongue. The word sipsip, which means sycophant or brown-nosing, could be traced all the way back to the 1930s Commonwealth. It reached Tagalog through the Ilocano words sipsip buto, along with siga-siga, which means tough, a show-off, or even a gangster. I remember that if my father then wore a long-sleeved white shirt and a new pair of shiny pants, he would be called sputing. Joaquin notes: 'The Spanish

word for gang is pandilla; but when we preferred to adapt barkada, which means boatload, were we unconsciously moved by the memory of a time when being together in a boat made people not simply co-passengers but near-kinsmen, almost brothers, pledged to fight and die for each other? That was the idea of the barangay; and our young folk have expressed, in a Spanish word, an ancient Malay concept.' This insight is vintage Joaquin, who could yoke together ideas coming from his lucid historical memory, as well as his wide and varied readings. 'Language of the streets' could very well capture what has been happening in recent years, when ordinary language used by Filipinos have entered the mainstream of universal words. This has been noted no less by than the Oxford
