****Winner of the TAA 2017 Textbook Excellence Award** "Social Media Marketing deserves special kudos for its courage in tackling the new frontier of social media marketing. This textbook challenges its readers to grapple with the daunting task of understanding rapidly evolving social media and its users."—TAA Judges Panel Social Media Marketing was the first textbook to cover this vital subject. It shows how social media fits into and complements the marketer's toolbox. The book melds essential theory with practical application as it covers core skills such as strategic planning for social media applications, incorporating these platforms into the brand's marketing communications executions, and harnessing social media data to yield customer insights. The authors outline the "Four Zones" of social media that marketers can use to achieve their strategic objectives. These include: 1. Community (e.g. Instagram) 2. Publishing (e.g. Tumblr) 3. Entertainment (e.g. Candy Crush Saga) 4. Commerce (e.g. Groupon) This Second Edition contains new examples, industry developments and academic research to help students remain current in their marketing studies, as well as a new and improved user-friendly layout to make the text easy to navigate. The textbook also provides a free companion website that offers valuable additional resources for both instructors and students. Visit: study.sagepub.com/smm. Readers of the book are also invited to join the authors and others online by using the hashtag: #smm**

Customer Experience (CE) is becoming seen as a key component of business strategy, yet knowing the practical steps of what to do can be tricky. The Customer Experience Book helps you understand where you are now, what to do, and how to improve for your business. From Customer Journey Mapping to using Big Data, this is the ultimate Customer Experience manual for businesses, whatever the size of your company. Split into two parts, you'll discover: • Why customer experience is so important in business – and how it applies to you • How to use customer experience tools in your business – step by step guides on how to use CX metrics and how to learn from them Alongside the theory and practical how-to guidance, there will be a range of examples of 'thinking differently' about everyday situations to engage the reader. Plus, with case studies from International Companies, readers will discover not only what works well but also the hard lessons they have learned. The Customer Experience Book shows you how to understand, measure and improve customer experience in your business, whatever your level.
