~~This book offers, for the first time, a comprehensive account of the development of modern art in Thailand. Its central focus is to trace the main thread of eclecticism that characterizes modern Thai art, and to show how foreign influences, as well as Buddhism, local traditions, and folk cultures served as catalysts in the development of styles. The book opens with a view of realist painting as it was introduced into Thailand.~~

~~The available literature on modern Thai art and its historical development takes modernity in Thai art as having two moments: the transformation in court taste by the importation of European art and some synthesis with Thai art styles wrought by King Chulalongkorn in the 1880s and 1890s, which had antecedents in the reign of King Mongkut during the 1850s and 1860s; and the institutionalization of training for artists achieved during the 1930s and 1940s by an Italian who later became Thai ...~~

~~Icon and image in Modern Thai Art: A Preliminary Exploration~~

~~Modern art includes artistic work produced during the period extending roughly from the 1860s to the 1970s, and denotes the styles and philosophies of the art produced during that era. The term is usually associated with art in which the traditions of the past have been thrown aside in a spirit of experimentation. Modern artists experimented with new ways of seeing and with fresh ideas about the nature of materials and functions of art. A tendency away from the narrative, which was characteristic~~

~~Thailand - Thailand - The arts: Traditional Thai literature was deeply connected to the literature of both Buddhist and Hindu India. The best-known story of the premodern period—as recounted in sermons by monks and depicted in temple paintings—was that of Prince Vetsandorn (Vessantara). This story is the last and most important of the Jataka tales (i.e., stories about people or animals who ...~~
