winning brand provides comprehensive practice for various subjects, needs, and grades. From test prep titles to skill-building workbooks, Spectrum supports your child's educational journey every step of the way.

"Adopted by the California State Board of Education, March 2005"--Cover.

Mastering Skills takes a fresh approach to the mastery of grade-specific skills. Each book uses a wide range of activities to spark students' interest in learning. As students complete the activities, they develop the skills they need to meet academic standards in reading, writing, math, social studies and science.

Over 50 discussion questions and activities, and 300 questions, fill this comprehensive workbook. The book covers science, math and social science for fifth grade. If you are homeschooling (or if you are just trying to get extra practice for your child), then you already know that social science workbooks and curriculum can be expensive. Homeschool Brew is trying to change that! We have teamed with teachers and parents to create books for prices parents can afford. We believe education shouldn't be expensive. Each subject may also be purchased individually.

unhappy living in New York City with his family, so he runs away to the Catskill Mountains to live in the woods—all by himself. With only a penknife, a ball of cord, forty dollars, and some flint and steel, he intends to survive on his own. Sam learns about courage, danger, and independence during his year in the wilderness, a year that changes his life forever. "An extraordinary book . . . It will be read year after year." —The Horn Book

Designed to meet the wide range of math abilities and interests of students, especially focused toward 5th & 6th grade, in a gifted program or pull-out program, and for students in the regular classroom who need math enrichment.
