one, which is safer than relying on your legal rights and protects you should the building firm go out of business in the future.

Why Do I Need a Building Contract? - Build It

Why a Construction Contract Is Important. At the most basic level, you want to get the house that was promised, and the contractor wants to get paid for the house being built. The contract serves to reflect this understanding, to make sure there is no disagreement before the actual works begins, and to provide a guide to follow in case a problem arises later. Most often your contractor will provide you with a contract that's ready for signing.

A Design-Build Contract is a variation on either a Fixed-Price or Cost-Plus contract. The distinguishing feature of a Design-Build Contract is this: instead of the owner signing one contract for design and a separate contract for construction, the whole project is covered in a single document. One firm designs and builds the project.
