Anyway, Opera is one of the biggest PMS systems on the hospitality block, but somehow I've gone through many years and jobs without running into it. I'm looking to change again though, and I'd like to be able to say I know what I'm doing with it, so are there any online courses or training videos?

In this work, the authors draw upon their vast experience to carefully explain and demystify a career in dance. Written in a highly readable style, this comprehensive guide covers all the major decisions and challenges a dancer may face over the course of his or her career in dance.

Previously published as one volume under same title.

Also known as "The Red Book", this authoritative manual from the creators of PostScript contains the complete description of every command and operation in the language, plus information on the recent Language Level 3 extensions. The CD-ROM contains the entire text in PDF.

Period Repair Manual is your guide to better periods using natural treatments such as diet, nutritional supplements, herbal medicine, and natural hormones. It contains advice and tips for women of every age and situation. If you have a period (or want a period), then this book is for you. Topics include: * How to come off hormonal birth control * What your period should be like* What can go wrong * How to talk to your doctor * Treatment protocols for all common period problems, including PCOS and endometriosis The second edition contains insights from Professor Jerilynn Prior, more than 300 new references, and an additional chapter on perimenopause and menopause. Written by a naturopathic doctor with more than twenty years experience, this book is a compilation of everything that works for hormonal health.

The present handbook offers, in a quick reference format, an overview of key considerations in the implementation of participatory responses to crime based on a restorative justice approach. Its focus is on a range of measures and programmes, inspired by restorative justice values, that are flexible in their adaptation to criminal justice systems and that complement them while taking into account varying legal, social and cultural circumstances. It was prepared for the use of criminal justice officials, non-governmental organizations and community groups who are working together to improve current responses to crime and conflict in their community
