A study of parliamaent in its proper historical perspective describing its multifarious activities, the working of rajya sabha and the lok sabha, the role of presiding officers, the question hour and other various procedural devices like different types of motions, budgetary committee and legislative processes, etc.

A commentary and study.

Articles on Indian Parliament.

Study focusing on the actual role of the parliament in the field of human rights in India.

Focusing on politics and society in India, this book explores new areas enmeshed in the complex social, economic and political processes in the country. Linking the structural characteristics with the broader sociological context, the book emphasizes the strong influence of sociological issues on politics, such as social milieu shaping and the articulation of the political in day-to-day events. Political events are connected with the ever-changing social, economic and political processes in order to provide an analytical framework to explain [peculiarities] of Indian politics. Bidyut Chakrabarty argues that three major ideological influences of colonialism, nationalism and democracy have provided the foundational values of Indian politics. Structured thematically and chronologically, this work is a useful resource for students of political science, sociology and South Asian studies.
