Phantoms / Dean Koontz

Phantoms is a novel by American writer Dean Koontz, first published in 1983. The story is a version of the now-debunked urban legend involving a village mysteriously vanishing at Angikuni Lake. The novel includes many literary tips of the hat to the work of H.P. Lovecraft, including the suggestion that the novel's 'Ancient Enemy' is Lovecraft's god Nyarlathotep, also known as the 'Crawling Chaos'; and the fact that character of the air force specialist in potential contact with non-human intelli

In fact, it is one of the best horror/suspense novels ever written, period. PHANTOMS is an old fashioned monster novel, where a group of characters are under attack by a supernatural being in a deserted town. This story may sound familiar, but Koontz makes it come alive by the sheer talent of his writing.

Koontz dazzles the pages of Phantoms with fantastic images of creatures from times gone by. A woman and her sister return to a town, dark and quiet. Evidence suggests that people just "vanished," but with further investigation, ghastly scenes suggest a murderer has befallen the unsuspecting town.

"They found the town silent, apparently abandoned. Then they found the first body strangely swollen and still warm. One hundred and fifty were dead, 350 missing. But the terror had only begun in the tiny mountain town of Snowfield, California. At first they thought it was the work of a maniac. Or terrorists. Or toxic contamination. Or a bizarre new disease. But then they found the truth. And they saw it in the flesh. It is worse than anything they ever dared to imagine ..."--Back cover.
