PM4NGOs – Making the world better, one project at a time.

PMD Pro is an essential best practices guide for all non-profit organizations: international NGOs, country level and community based NGOs, humanitarian organizations, foundations, and funding organizations. The purpose of the PMD Guide is to improve development professionals' project management capacity. The Guide provides a contextualized, balanced, comprehensive, and adaptable resource to help increase the efficiency and effectiveness of projects in the development sector.

PMD Pro: Project Management for Development Professionals ...

Developed by and for NGOs, PMD Pro is now a de-facto global standard for project management that has reached over 16,000 development professionals at organizations such as Catholic Relief Services, Save the Children, FHI 360, UNICEF and DFID; and over 80% of the certifications were earned by people working in a low or middle income country—building capability where it matters most.
