With prayer reflections drawn from the words of Pope Francis, this Lenten companion helps you prepare for the Easter season. With Scripture citations for each day of the season, selections from the pope's writings, and ways to bring the pope's message into your life on judgment, justice, forgiveness and mercy, The Hope for Lent will lend a moment's meditation to discovers the extraordinary in the ordinary, to be surprised by God's mercy when we least expect it.

Prepare spiritually for the coming of Christ with this popular, easy-to-use annual guide. During the especially busy Advent and Christmas seasons, this book offers brief, down-to-earth reflections that bring prayer and Scripture into everyday life in a thought-provoking and lasting way. Through Mary DeTurrís Poust's insightful reflections on Scripture readings from the daily Mass, readers will grow in their understanding of the word of God. This book will help busy people achieve their goal of enriching their personal prayer life during the seasons of Advent and Christmas.

A collection of homilies, speeches, and "messages of the day" that brings together Pope Francis's wisdom on finding happiness in the here and now For Pope Francis, the appreciation of our everyday lives is a spiritual undertaking. Joy is a divine attribute, and creating joy around us an essential part of faith. Every homily and speech in this book delivers, in warm, engaging language accessible to believers and nonbelievers alike, a key lesson, instructing readers on finding love and happiness in a chaotic world. Along the way, Pope Francis discusses the sanctity of women's rights, talks about how the love of sports can bring out our best qualities, and explains why fighting discrimination is the essence of loving thy neighbor. He shares personal stories and anecdotes from his life, provides comforting messages of hope, and discusses the ways flawed families can make you a better person. The core ideas of Francis's papacy—mercy, support for marginalized people, and diplomacy—shine through. Praise for Happiness in This Life "Though the title of the book mentions happiness, this collection of thoughts addresses something much deeper—joy. Bringing together excerpts from Pope Francis's sermons, speeches, prayers, and addresses, these pieces address a range of themes, from mercy and humility to simplicity and family. . . . Readers will be encouraged to clear away the cacophony of modern society and embrace the simplicity of joy. A book as loving and encouraging as the man himself seems to be."—Booklist "With this wide-ranging collection of writings, homilies, and addresses, the current pontiff dispels any notion that religious practice is dull and antiquated. . . . It brings together the pope's most affecting passages to inspire Catholics (and those of other faiths) to lift up those around them."—Publishers Weekly "Reminiscent of the gentle encouragement of the Dalai Lama . . . Family-centered and practical—especially on difficult matters of familial contention—these homilies are, on the whole, gentle encouragements to do the right thing. . . . [This] collection offers clear insight into the pope's doctrinal concerns."—Kirkus Reviews

Pope Francis is a pope of the people, and his teachings have been praised and shared by the faithful and nonreligious alike. Exploring themes universal to all people, Pope Francis' Little Book of Compassion offers inspiration and hope from one of the world's great spiritual leaders. In it, the Holy Father explores how living a life of compassion can be practiced in five areas of life: prayer, mercy, forgiveness, solidarity, and charity. Pope Francis appears to be changing the face of Roman Catholicism. He has infused the fusty institution with openness and optimism, faced off against established power interests within the Vatican, reformed the Church's finances, and, most importantly, asked that Catholics approach one another and non-Catholics with candor, humility, and love. He has made the papacy and the Church relevant once again. Words from Pope Francis: "A little bit of mercy makes the world less cold and more just." "There is so much indifference in the face of suffering. May we overcome indifference with concrete acts of charity."

Lent calls us to turn away from sin and be faithful to the Gospel. Few saints have done this more intentionally than St. Francis of Assisi. He lived the teachings of Jesus, often quite literally, from the time of his conversion until his death. In doing so, he inspired people of his own time as well as millions from his day to our own, to do likewise. By pairing the words and deeds of Francis with the Scripture readings for Lent, Lent With St. Francis: Daily Reflections helps readers reflect on how they, too, can live the Gospel in the circumstances of their daily lives. It is written in a simple and engaging style that will draw readers in to the life of Francis, as they grow in their faith and spiritual practice through the inspiration of this beloved saint.

A practical guide to understanding and implementing Amoris Laetitia. The pastoral implications of this document will be of interest to church professionals.

The loss of a love one is often devastating. And while each of us experience grief in a unique way, finding your way back to a place of wholeness may seem impossible. The emptiness, loneliness and darkness seem to never fade. This book will help you find comfort and grow closer to God, who often seems far off or even absent in your journey through grief. Drawing from both personal testimonies and religious texts, this book also contains practical advice on how to overcome some of the emotional followed by practical aspect of grief, and a prayer on each topic. This book will also help you make decisions about what to pass on and what to keep in order to treasure your memories of your loved one. Grief is a very unique and personal experience. Through this book, you will be given the confidence to grieve in your own way. Ultimately, they will see grief as a journey that can lead you into a richer spiritual life.

This book explores the strong links between sustainability and the humanities, which go beyond the inclusion of social sciences in discussions on sustainability, and offers a holistic discussion on the intellectual and moral aspects of sustainable development. The contributions from researchers in the fields of education, social sciences, religion, humanities, and sustainable development fulfill three main aims: They provide university lecturers interested in humanities and sustainable development with an opportunity to present their work; foster the exchange of information, ideas and experiences acquired in the execution of teaching and research; and discuss methodological approaches and projects that provide a better understanding of how the humanities can contribute to the debate on sustainable development. Prepared by the Inter-University Sustainable Development Research Programme and the World Sustainable Development Research and Transfer Centre, the book reiterates the need to promote integrated approaches to sustainable development. Including practice-based lessons learnt that can be replicated further, it is a valuable resource for scientists and practitioners working in the humanities and sustainable development.

There is no better season to renew one's relationship with God than Easter, the most joyful days of the church's year. Rejoice with these inspiring reflections on the daily Mass readings. In just minutes per day, the insightful meditations of Rejoice and Be Glad can help you embrace, live, and share the good news of the great Paschal mystery.

Prepare spiritually for the coming of Christ with this popular and inviting annual guide. During the especially busy Advent and Christmas seasons, this book offers brief, down-to-earth reflections that bring prayer and Scripture into everyday life in a thought-provoking and lasting way. Through Michelle Francl-Donnay's fresh and meaningful reflections on Lectionary readings from the weekday and Sunday Masses, readers will grow in their understanding of the word of God. This book will help busy people achieve their goal of enriching their prayer life during the seasons of Advent and Christmas.
