Assessment

Authentic assessments attempt to demonstrate what a student actually learns in class rather than the student's ability to do well on traditional tests and quizzes. Many have claimed this type of assessment an excellent means of evaluating a student's knowledge of subject matter.

And the Right Assessment? Tests and quizzes are often a go-to for instructors because they are fast, easy, efficient, and can cover a lot of content (Suskie, 2009). While tests and quizzes can be an effective, appropriate tool, they aren't always the right tool given what you want students to be able to do or know
