In mid-nineteenth-century London, destitute Ivy, whose main asset is her red hair, comes to the attention of a painter of the pre-Raphaelite school who, with the connivance of her family, is determined to make her his model and muse.

Early in the year, our North American forests come to life as native wildflowers start to push up through patches of snow. With longer days and sunlight streaming down through bare branches of towering trees, life on the forest floor awakens from its winter sleep. Plants such as green dragon, squirrel corn, and bloodroot interact with their pollinators and seed dispersers and rush to create new life before the trees above leaf out and block the sun's rays.

Wake Up, Woods showcases the splendor of our warming forests and offers clues to nature's annual springtime floral show as we walk in our parks and wilderness areas, or even in shade gardens around our homes. Readers of Wake Up, Woods will see that Gillian Harris, Michael Homoya and Shane Gibson, through illustrations and text, present a captivating look into our forests' biodiversity, showing how species depend on plants for food and help assure plant reproduction. This book celebrates some of nature's most fascinating moments that happen in forests where we live and play.

Cobblestone streets leading to perfectly preserved historic homes. Intricate wrought-iron gates opening to lush, fragrant gardens. A skyline of steeples and a river harbor bustling with schooners and sailboats. Charleston is one of America's most charming cities. In vibrant watercolors and detailed sketches, artist Diana Gessler captures the beauty and riches that make Charleston so unique: White Point Gardens, the Spoleto Festival, Rainbow Row, Waterfront Park, Fort Moultrie, the beaches of Sullivan's Island, sumptuous Lowcountry cuisine, and handmade sweetgrass baskets. Full of fascinating details--on everything from the art of early entertaining, the city's inspired architectural and garden designs, and George Washington's Southern tour to famous Charlestonians and the flags of Sumter--Very Charleston celebrates the city, the Lowcountry, the people, and our history. Hand-lettered and full color throughout, Very Charleston includes maps, an index, and a handy appendix of sites. With her cheerful illustrations and love for discovering little-known facts, Diana Gessler has created both an entertaining guide and an irresistible keepsake for visitors and Charlestonians alike.
