Northvegr.net Elder Runes and Magic The manuscript of the Old English Runic Poem has been destroyed in a fire in 1731, but the text is fortunately preserved in a 1705 edition by George Hickes based on a fairly reliable copy by Wanley; it consists of 29 short stanzas, one for each rune of the expanded Anglo-Saxon fuþorc.

Elder Runes and Magic

Given that the ability to alter the course of fate is one of the central concerns of traditional Germanic magic, it should come as no surprise that the runes, as an extremely potent means of redirecting fate, and as inherently meaningful symbols, were thereby inherently magicalby their very nature.

Runic Philosophy and Magic - Norse Mythology for Smart People

Origin of the Runes The original meaning of the word rune is "secret, or something hidden". Some indications show that the early runes were not used so much for writing, but rather as magical signs, that means, they were used in magic and for divination (but there is no direct evidence of this).
