The Physics Subject Test assesses your understanding of concepts  
from one year of introductory physics on the college-preparatory  
level, as well as reasoning and problem-solving skills derived from  
lab experience. If you're thinking about pursuing a math- or science-  
based program of study (such as science, technology, engineering,  
or math), taking the Physics Subject Test is a great way to  
demonstrate your interests on your college application.

The latest information on enrollments, tuition and fees, academic programs, campus environment, available financial aid, and much more make the 29th edition of Profiles of American Colleges America's most comprehensive and authoritative source for college-bound high school students. Every accredited four-year college in the United States is profiled, and readers are directed to a brand-new Barron's Web site featuring a FREE ACCESS college search engine that presents exclusive on-line information to help students match their academic plans and aptitudes with the admission requirements and academic programs of each school. The book presents profiles of more than 1,650 colleges, each profile including details on: • Admission requirements • Library and computer facilities • Admissions procedures for freshmen • Campus safety and security • Thumbnail descriptions of faculty • Requirements for a degree • Athletic facilities • Extracurricular activities • E-mail addresses • College fax numbers and web sites • Admissions Contacts • and more Schools are rated according to Barron's reliable competitiveness scale, which ranges from "Noncompetitive" to "Most Competitive." The book's tinted pages section presents an Index of College Majors that lists all available major study programs at every school. Also profiled are excellent colleges in Canada and several other countries, as well as brief profiles of religious colleges, and American colleges based in foreign countries.

Essential strategies, practice, and review to ace the SAT Subject Test Mathematics Level 2 Getting into a top college has never been more difficult. Students need to distinguish themselves from the crowd, and scoring well on an SAT Subject Test gives students a competitive edge. Kaplan's SAT Subject Test Mathematics Level 2
