Sex sells in this oversized coffee table book celebrating the art of the 1970s porn movie poster. Sexytime will include "classic" porn movie posters like The Sex-Ray Machine, Candy Goes to Hollywood, and the Senator's Daughter. This is a portrait of taboo-busting 1970s "porno chic" erotomania. Accept no substitutes.

Free your mind, and the trash will follow."--BOOK JACKET.

An ambitious intern. A perfectionist executive. And a whole lot of name calling. Whip-smart, hardworking, and on her way to an MBA, Chloe Mills has only one problem: her boss, Bennett Ryan. He's exacting, blunt, inconsiderate—and completely irresistible. A Beautiful Bastard. Bennett has returned to Chicago from France to take a vital role in his family's massive media business. He never expected that the assistant who'd been helping him from abroad was the gorgeous, innocently provocative—completely infuriating—creature he now has to see every day. Despite the rumors, he's never been one for a workplace hookup. But Chloe's so tempting he's willing to bend the rules—or outright smash them—if it means he can have her. All over the office As their appetites for one another increase to a breaking point, Bennett and Chloe must decide exactly what they're willing to lose in order to win each other. Originally only available online as The Office by tby789—and garnering over 2 million reads on fanfiction sites—Beautiful Bastard has been extensively updated for re-release.

The internet has made access to sexually explicit content radically more easy than ever before. This book is essential reading for those who are troubled by their own relationship with pornography, and for those who want to understand the world we now live in. Republished with extensive revisions in December 2017.

This book collects "trash" art ephemera like movie posters and album covers.

It's been ten years since clean-cut, sexy-as-hell police officer Todd Keenan had a white-hot fling with wild, uninhibited rocker Erin Brown. What happened between them got under his skin—even if love wasn't in the cards just yet... Now that they're back together, picking up where they left off is tough in light of Erin's troubled past. As Todd earns her trust, their relationship takes an unexpected turn. Todd's best friend, Ben, comes to play, arousing their deepest fantasies. The passion they share transforms Erin, but it may not be enough to face the evil she thought she had left behind.

From early twentieth-century stag films to 1960s sexploitation pictures to the boom in 1970s "porno chic," adult cinema's vintage forms are now being reappraised by a new generation of historians, fans, preservationists, and home video entrepreneurs—all of whom depend on and help shape the archive of film history. But what is the present-day allure of these artifacts that have since become eroticized more for their "pastness" than the explicit acts they show? And what are the political implications of recovering these rare but still-visceral films from a less "enlightened," pre-feminist past? Drawing on media industry analysis, archival theory, and interviews with adult video personnel, David Church argues that vintage pornography retains its retrospective fascination precisely because these culturally denigrated texts have been so poorly preserved on political and aesthetic grounds. Through these films' ongoing moves from cultural emergence to concealment to rediscovery, the archive itself performs a "striptease," permitting tangible contact with these corporeally stimulating forms at a moment when the overall physicality of media objects is undergoing rapid transformation. Disposable Passions explores the historiographic lessons that vintage pornography can teach us about which materials our society chooses to keep, and how a long-neglected genre is primed for serious rediscovery as more than mere autoerotic fodder.

Raised as a prototype for the Georgian Bratva's obedience drug, 221 fails to think, act, or live for himself; he's his master's perfectly-crafted killing puppet. Standing at six-foot-six, weighing two-hundred-and-fifty pounds, and unrivaled in to-the-death combat, 221 successfully secures business for the Georgian Mafiya Boss of NYC, who rules the dark world of the criminal underground. Until his enemies capture him. Talia Tolstaia dreams to break from the heavy clutches of Bratva life. She dreams of another life--away from the stifling leash of her Russian Bratva Boss father and from the brutality of her work at The Dungeon, her criminal family's underground death-match enterprise. But when she stumbles upon her family's captive who is more monster than man, she starts to see the man underneath. A powerful, beautiful, damaged man whose heart calls to hers. But sacrifices must be made--blood for blood...life for life...souls for scarred souls...

The Birmingham Rebels series introduces an unforgettable team of bad boys and the sexy, forbidden games they play off the football field. Birmingham Rebels offensive linemen Beau Perez and Cass Zielinski are inseparable, on and off the field. Cass is the team captain and an unapologetic swaggering cowboy with a temper. Beau, the veteran tight end, is a city boy with a rough past he hides behind a cool exterior. Ever since a sex tape of a steamy threesome starring the two of them went viral, their exploits have fueled more than a few tabloid headlines and late night fantasies. Marian Treadwell, the Rebels' new assistant offensive coach, knows all about the video. She can't look at Beau and Cass without picturing herself pressed in between their hard, naked bodies. Marian would like nothing more than to indulge those fantasies, but she knows better than to get too close to football players, a bunch of adrenaline-fueled alpha males who don't always follow the rules. Been there, done that, learned her lesson. Just the thought of sharing the gorgeous yet guarded Marian makes Cass crazy. Beau isn't sure she's right for them, though, when all he desires is a little alone time with Cass to explore the new direction their relationship is going. It's only a matter of time before Cass breaks through both of their defenses. Because when seduction is the game plan, he always plays to win. Broken Play is intended for mature audiences. Don't miss any of Samantha Kane's steamy Birmingham Rebels novels: [BROKEN PLAY](#) | [CALLING THE PLAY](#) | [JACKED UP](#) | [MISCONDUCT](#)

The whirlwind of social media, online dating, and mobile apps can make life a dream—or a nightmare. For every trustworthy website, there are countless jerks, bullies, and scam artists who want to harvest your personal information for their own purposes. But you can fight back, right now. In *The Smart Girl's Guide to Privacy*, award-winning author and investigative journalist Violet Blue shows you how women are targeted online and how to keep yourself safe. Blue's practical, user-friendly advice will teach you how to: -Delete personal content from websites -Use website and browser privacy controls effectively -Recover from and prevent identity theft -Figure out where the law protects you—and where it doesn't -Set up safe online profiles -Remove yourself from people-finder websites Even if your privacy has already been compromised, don't panic. It's not too late to take control. Let *The Smart Girl's Guide to Privacy* help you cut through the confusion and start protecting your online life.
